PRAYING FOR MINISTRY TO THE MILITARY

SEPTEMBER 2024

## WEEK OF SEPTEMBER 1

**Joe and Caitlin Fletcher**  
**Naval Air Station Oceana, VA**

We are so excited to have received an invitation to begin an on-base Bible study. Please pray for all the paperwork to be in order and for favor in the approval process. Pray that we will be able to begin soon!

**Michael Martin**  
**Camp Humphreys, Korea**

I am thankful for the opportunity to visit the school for North Korean refugees again on September 2. On our last trip, the banana splits we served them were way too sweet and left uneaten, so we will give them candy bars this time. We will also introduce them to cherry, pumpkin, and blueberry pies. Please pray that our team of Soldiers and families interact with these dear souls (ages 15–25) with wisdom, grace, and love.

**Scott and Rebecca Crawford**  
**Naval Air Station Jacksonville, FL**

Please pray for our Sailors who are in the last few months of their deployment. Specifically, pray for spirits of strength and anticipation for what the Lord has for them, even amid weariness and fatigue. Pray for these amazing young men's and women's physical, spiritual, and emotional protection.

**John and Marcie Good**  
**Joint Base Pearl Harbor-Hickam, HI**

In addition to our weekly Monday and Friday dinners and studies, pray for our weekly dinner and study on Wednesdays at the Pearl Harbor Memorial Chapel and a bi-monthly dinner and study on Tuesdays at Hickam Chapel. In this season, when many military personnel and their families are moving, please pray that God would send more people to our ministry, as we are losing several regular attendees.

## WEEK OF SEPTEMBER 8

**Trevor and Jennifer Claypool**  
**Victory Ranch, SC**

We have recently received news of significant repairs needed at Victory Ranch, which will cost quite a bit. While in the process of raising funds to repair the air conditioner in the main ministry room, we discovered there are serious leaks in the walls of the bunk room, which will require extensive renovations. Please pray for financial provision for this immediate need as the ranch is scheduled to be used for events in just three weeks, and we do not want to cancel these.

**Chris and Melissa Stephenson**  
**U.S. Army Garrison Wiesbaden, Germany**

Please be in prayer for Melissa's 16-year-old niece, Olivia. She was recently diagnosed with metastatic Ewings Sarcoma in her pelvis. Pray for wisdom for her doctors, peace for her family, and a miracle from God as she endures aggressive treatment this next year.

**Duncan and Suzanne Forbes**  
**Commander Fleet Activities Yokosuka, Japan**

Pray for abundant opportunities to meet people as the carrier arrives in port.

**Laurel Givry**  
**Fort Jackson, SC**

Pray for me and our MomCo leadership team as we start our new ministry year. Pray all the many details of moving to a new location will come together quickly. Especially pray for faith that God will provide and for the ladies' faith to grow as they see God move. Our Open House is September 11, and our first meeting is September 25.

## WEEK OF SEPTEMBER 15

**David and Joyce Schroeder**  
**Headquarters, CO**

We appreciate your prayers for the annual Cadence Leadership Summit (CLS) in Colorado, September 22–26. Pray for God’s wisdom and unity as we seek Him together for Cadence staff and military ministry.

**Peter and Tanya Kinney**  
**Ellsworth Air Force Base, SD**

Please pray for my (Peter’s) shoulder to make a complete recovery. I dislocated it last month. Earlier this year, I had stomach issues, tweaked my back, and also had hernia surgery. Pray that I will be strong in spirit and in good physical health.

**Danny and Kathryn Perez**  
**Eastern U.S.A. Field Leaders, NC**

We will travel to Colorado this month for the annual Cadence Leadership Summit and connect with ministry partners while there. Pray for unity and for us to follow His leading in our plans. Also, our eldest son’s military court date has been extended until October. Pray for resolution and God’s work in his heart.

**Lou and Cathy Rozmiarek**  
**Headquarters, CO**

Please pray for our missionaries, Jason and Laura Paxton, who were appointed in April 2024. They are working hard to build their ministry team as they raise support. Pray for God’s faithful provision, their boldness to speak a clear vision of their ministry, and that they will be released to the field soon.

## WEEK OF SEPTEMBER 22

**Ken and Judi Wooten**  
**Ambassadors, TX**

Please pray for our Prayer Summit on Saturday, September 28, on Fort Cavazos. This half-day event will be led by chaplains, pastors, Cadence connections, and others.

**Joe and Jill Vincent**  
**Spangdahlem Air Base, Germany**

Pray as military personnel and their families move and new Airmen arrive. Also, pray for us as we plan our upcoming sabbatical.

**Paul and Sandra Bradley**  
**European Field Leaders, ID**

Pray for us as we begin our new roles as European Field Leaders this month. Pray we will build bridges of trust and love as we get to know our staff who serve so faithfully in Germany and Spain. It is a privilege to serve these dear folks!

**Scott and Rebecca Crawford**  
**Naval Air Station Jacksonville, FL**

We are excited to see new Sailors coming on Fridays as their coworkers continue to invite them, so please pray for these growing groups within squadrons to see Jesus moving and working in the ways only He can in some pretty dark environments. We would also love prayer for upcoming meetings with a large church here in Jacksonville that has shown interest in becoming involved in local military ministry among the naval bases here. Please pray that the Lord’s heart be honored first and foremost and for His wisdom, creativity, and authority to bring unity and clarity. Thank you very much for your faithfulness in lifting these requests before the Father!

## WEEK OF SEPTEMBER 29

**Duncan and Suzanne Forbes**  
**Commander Fleet Activities Yokosuka, Japan**

We are excited to have a team from Connecticut come in early October to do work projects on The Lighthouse building. Please pray with us for strategic project planning and a successful week of building relationships while working together.

**Trevor and Jennifer Claypool**  
**Victory Ranch, SC**

We have the opportunity on October 11 to introduce Cadence to every incoming chaplain in the Army. This cycle of Chaplain Basic School students will be coming to Victory Ranch for resiliency training. Pray for good connections and that we will clearly communicate the ministry of Cadence. Pray also for strong connections to be made when all permanent party chaplains from Fort Jackson and their families come to Victory Ranch on October 19 for a Fall Family Day. At both events, we will share about Cadence's mission and partnership opportunities throughout the mission worldwide.

**Danny and Kathryn Perez**  
**Eastern U.S.A. Field Leaders, NC**

Please pray for the salvation of several people in our lives: two in our Jacksonville, Florida, ministry; two in our Fort Liberty ministry; Danny's doctor, who we are befriending and works for a strong believer; the daughter of one of my dear friends, a Soldier who is like a daughter to us and is presently deployed to Africa; the adult children of several chaplain friends; our neighbor; and a very old acquaintance of Kathryn's who, after 35 years, reached out to us for connection. He could feel the strong draw of Jesus when we met for lunch. Pray he will visit our home.

## Praise

**Trevor and Jennifer Claypool**  
**Victory Ranch, SC**

We praise God that we have a CAFS couple applying to work at Victory Ranch. Please pray for them as they go through the application process.

**Laurel Givry**  
**Fort Jackson, SC**

Praise God that our MomCo meetup has a place to meet! A local church right outside the post is willing to host us. While we are disappointed we cannot meet in the on-post chapel, we are very hopeful that working with this church will give us new opportunities to minister to military wives. Praise God for His provision!

**Joe and Jill Vincent**  
**Spangdahlem Air Base, Germany**

We are thankful for the proceeds of our yard sale fundraiser for The Hangar ministry, totaling \$6,500.

**Michael Martin**  
**Camp Humphreys, Korea**

I had a meaningful time with two members of a supporting church in Texas who recently visited. We assisted at a baptism for 3,000 Korean Soldiers-in-training who are getting ready to graduate. It was a special time and reminded me of my own salvation moment as a college student.

**Eric and Janet Thimell**  
**Victory Ranch, SC**

We praise the Lord for the many opportunities we have been given to serve at Shaw Air Force Base and for the events being scheduled at Victory Ranch by the chaplains at Shaw.
