Dear Brothers and Sisters,

For several months, we have sensed the Lord nudging us to sell our house and move closer to family. Rick and Jennifer had to leave Reno about four years ago due to health issues, so we no longer had any family living close by.

We have said that when we move, we want to do it while we are healthy enough to make our own decisions. That time finally came. We put our house on the market on August 29, our 59th wedding anniversary, and closed on September 30. We stayed in Reno with friends while we finished business and attended our previously scheduled doctor appointments before starting the drive to Oregon on September 15. We moved into our new apartment on September 18.

Because we could not imagine living in an even hotter Phoenix near Rick and Jennifer, we moved into a retirement apartment in Wilsonville, Oregon, about five miles from our grandson Drew, his lovely wife Elise, and our two great-grandsons, Owen Curtis and Adolin Ralph.

We will greatly miss the church family we had in Reno! They were true brothers and sisters to us and were so loving. I, Betty, will miss my ladies' Bible Study. We were just starting Ephesians. It will be led to its conclusion by capable hands and hearts, obeying God.

This move reminds us of leaving our church family in California 17 years ago. How sweet fellowship will be in

For the Lord is good;
His steadfast love
endures forever, and
His faithfulness to all
generations.

PSALM 100:5 ESV

Heaven when we are all reunited! In the meantime, we look forward to whatever ministry God gives us in our new retirement apartment building.

Our new address is printed below. Our cell phone numbers will remain the same, at least for the foreseeable future. We don't know our local email addresses yet, but we will continue to have our mission email.

We thank you from the depths of our hearts for continuing to support us. It has helped make this move possible. God has been so gracious in our lives and yours. We give Him thanks!

Joyfully His,
Betty for the Camps
