PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2024

## WEEK OF NOVEMBER 3

**Danny and Kathryn Perez**  
**Eastern U.S. Field Leaders, NC**

Baby Hadassah (1.5 pounds) is in the NICU here. Pray for this baby girl's strengthening and vitality and for her parents (dad is a Soldier) as they look to the Lord for her health and healing. Also pray for Randi, another Soldier here, that she would receive excellent help and care. Pray for her salvation, the healing of her heart, and that she would understand God's love for her.

**David and Joyce Schroeder**  
**Headquarters, CO**

Thank you for praying for the Cadence Leadership Summit in September and the Cadence Board Retreat in October. Both gatherings, held at a Christian retreat center in Colorado, enjoyed beautiful weather, meaningful interactions, organizational progress, and a sweet spirit of unity and joy. "The Lord gives strength to his people; the Lord blesses his people with peace." Psalm 29:11

**Lou and Cathy Rozmiarek**  
**Headquarters, CO**

Would you pause and pray on Sunday, November 10, as we speak at a supporting church? This is Veterans Day weekend, and we are grateful for this opportunity to share our vision of military ministry with our partnering church. Please pray that as we meet individually with people, some will join our prayer or financial team.

## WEEK OF NOVEMBER 10

**Eric and Janet Thimell**  
**Victory Ranch, SC**

We are traveling to Florida in mid-November to help a friend with drywall and electrical projects to prepare her house for sale. Pray for safety as we travel and calm weather for working.

**Laurel Givry**  
**Fort Jackson, SC**

Pray for me to have wisdom as I consider starting a Bible study for our MomCo ladies. We have several new believers who are hungry to grow closer to Jesus. Pray, too, for logistics like location and childcare to be provided as I decide what to study and how much time I can commit.

**Joe and Jill Vincent**  
**Spangdahlem Air Base, Germany**

Praise that a group from one of our supporting churches is coming to learn about the ministry! Pray our time together is fruitful. Praise that our kids came to visit and it went very well. Pray for Spangdahlem Soldiers and their families as a very large group left in October for a six-month deployment to the desert. Please also pray for us as we take a sabbatical through February 14, 2025.

## WEEK OF NOVEMBER 17

**Trevor and Jennifer Claypool**  
**Victory Ranch, SC**

Praises that Victory Ranch was awarded this year's Joshua Project fundraiser opportunity! The ranch is in desperate need of new siding, a new barn roof, an updated driveway, etc. We are praying for the Lord's hand to be all over this fundraiser so Victory Ranch can continue to give Him glory through it.

**David and Joyce Schroeder**  
**Headquarters, CO**

Please pray for military people who are far from home during the holidays. Pray that they will experience the welcome and love of God as Cadence staff reach out to them in this season.

**Katie Lambert**  
**Headquarters, CO**

Please be continually praying for the Mobilization Team as we follow up with all those we connected with at the different schools and universities this fall! We are praying the Lord would bring students who want to join Cadence in a full-time position, an internship, or in another capacity.

## WEEK OF NOVEMBER 24

**Ken and Judi Wooten**  
**Ambassadors, TX**

Please continue to pray for the Wooten family in regards to our son, Jeremy, and his family, whose wife went home to be with the Lord. Thank you for your prayers.

**Danny and Kathryn Perez**  
**Eastern U.S. Field Leaders, NC**

Pray that Victory Ranch, our retreat ministry between Ft. Jackson and Shaw AFB in South Carolina, would be blessed financially through the Joshua Project as Cadence raises support for the many needed projects on the property. You can learn more about the fundraiser at [Cadence.org/JoshuaProject](http://Cadence.org/JoshuaProject). Please, ask God to supply lavishly! Also pray that our ministries are filled throughout the Thanksgiving weekend and that our focus is on gratefulness to Christ.

## Praise

**Danny and Kathryn Perez**  
**Eastern U.S. Field Leaders, NC**

Praise the Lord and bless you for praying! Our son's legal situation is resolved, and we are feeling extremely grateful for the Lord's mercy and kindness. God has used this trial to place Maxton back in regular fellowship with other Marines who are seeking Christ and to open his heart again to Jesus.

**Laurel Givry**  
**Fort Jackson, SC**

Praise! We have a full roster of childcare volunteers for our MomCo meetings, and the kids are thriving in childcare, which frees up the moms to get the break and fellowship they crave. Also, we have two more ladies willing to be small group leaders, furthering the ministry we can do in each woman's life. Thank you for your prayers; you are accomplishing much.

**Lou and Cathy Rozmiarek**  
**Headquarters, CO**

We are excited that four missionary units were appointed in October! Please pray for Braydon and Joelle Legere, Dalton Kalas, Ethan McCraney, and Victor and Randyl Plancarte. They have all begun the next step of the journey as they start raising support for their Cadence ministry. Please pray for the Lord to bless them and their future team.

**Katie Lambert**  
**Headquarters, CO**

Praise for the school and university visits the Mobilization Team had this fall. There were so many fruitful conversations with professors, faculty, and students.
