Dear Friends,

It is hard to believe we've been back in the U.S.A for over three years. We miss being in a military community and sharing the gospel and our lives in that context.

Yet, we knew the Lord was calling us to serve on the "front lines" in a different way back in 2021. When we went to the field, we surrendered to the Lord's calling and walked by faith. We felt the same way about returning to our roles at Headquarters.

This season, we are called to steward our gifts, especially Dave's gift in leadership, to serve our missionaries and our organization. We were called to walk by faith and obedience on the field, and now we are called to do the same here at Cadence Headquarters.

For the past several years, it has been an honor to work with numerous teams and leaders within Cadence. Serving in God's kingdom with such an incredible team is a privilege. We want to highlight a few of the teams Dave gets to lead and share some of the growth we have seen.

MOBILIZATION

This team works to grow relationships with Bible schools and seminaries by visiting to recruit interns and full-time staff and developing partnerships. Over the past few years, we have received great favor and connections from several wonderful schools, including Moody Bible Institute and Liberty University.

CADENCE ASSOCIATE STAFF

Cadence is creating incredible opportunities for members of the military community who want to grow and serve in ministry, but can't serve full-time with Cadence. We are discipling and training people to serve the Lord right where he has placed them.

INTERNSHIPS

Over the past few years, we have helped revamp internship opportunities at Cadence. We provide internships for college students and the next generation of gospel ministers who are gaining ministry experience. We also offer opportunities to our service members through the SkillBridge program. This is a growing way for us to raise up the next generation of ministers of the gospel.

FIELD STAFF AND FIELD LEADERS

We love supporting, challenging, encouraging, and training our ministry staff worldwide. Our ministries continue to grow and thrive, and we consider it a great privilege to work with them. We have an exceptional team of regional leaders. They love the military and our staff and are gifted as leaders. They provide vital support to our ministries around the world.

HQ AND LEADERSHIP TEAM

God has brought a fantastic group of wise individuals to lead and support the ministry within Cadence. Our time here has given us the opportunity to grow and learn from our fellow leaders, and it's a privilege to serve with them.

We hope that by sharing all this, you are encouraged. While we may not be on the field, we are getting to serve our missionaries and the military in impactful and far-reaching ways.

We are honored to serve the Lord in the ways He has called us in this season. We pray for each of you. May you find joy in serving where He has planted you!

FINANCIAL SUPPORT UPDATE

We are currently at about 80 percent of our monthly support level. Last spring, several one-time gifts helped us reach our goal. We are so thankful for the Lord's provision. Would you consider a year-end gift or monthly support to help us continue this work?
