PRAYING FOR MINISTRY TO THE MILITARY

DECEMBER 2024

WEEK OF DECEMBER 1

Nate and Louise Johnson
WestPac U.S.A Field Leaders, CO

Please pray for our staff as they host and share their homes with many holiday guests. Pray for visitors to the various ministries to have gospel conversations during meals, studies, and downtime.

Brian and Aimee Kleager
Headquarters, CO

As we approach the end of 2024, many of our missionaries look to end-of-the-year giving to sustain their ministries and meet their budgets. Please pray that God would help us communicate these needs wisely and lovingly. Please pray that He provides abundantly!

WEEK OF DECEMBER 8

Duncan and Angie Sprague
Headquarters, CO

We are full of gratitude for the opportunity we had to share about Cadence at a church in Nebraska over Veterans Day weekend. We are beginning to make plans for our next RV Alumni Regional Hub to the Southwest region, which is scheduled for March–April 2025. If you have connections to Cadence Alumni or are part of our Alumni family, we would love to visit you on our trip. Please reach out to us at Angie.Sprague@Cadence.org.

Peter and Tanya Kinney
Home Assignment, SD

We are wrapping up a much-needed and appreciated Home Assignment. Pray as we re-engage ministry more fully beginning in December, including two special events with our military community here at the hospitality house on December 12 and December 24.

WEEK OF DECEMBER 15

Ralph and Betty Camp
Ambassadors, OR

We have moved to a senior living apartment in Wilsonville, Oregon. Pray for us as we settle in that we will be effective witnesses for the Lord here. We have found a church family at our grandson's church. The Lord undertook for us in the selling of our house in Reno, apartment availability here, and so much more. We praise His Name.

“The true light, which gives light to everyone, was coming into the world. He was in the world, and the world was made through him...”

JOHN 1:9-10

Praise

Christian and Melissa Stephenson
USAG Wiesbaden, Germany

We praise God that Melissa's niece, who was diagnosed with cancer, recently had medical scans that revealed miraculous results! Her sarcoma has shrunk by 80% and her lung metastases are gone. We are so grateful for all the prayers.

Joe and Jill Vincent
Home Assignment, Germany

Praise God for two additional financial partners in the last week. God is good, and we are thankful, humbled, and blessed.

Trevor and Jennifer Claypool
Victory Ranch, SC

Praise God for the opportunity to raise support for Victory Ranch through the Joshua Project. The Lord is doing mighty things here at Victory Ranch, and this is just the beginning. Pray for the funds to be able to maintain this property so it will continue to be a blessing to military members and their families for decades more to come. Learn more at Cadence.org/JoshuaProject.

WEEK OF DECEMBER 22

Joe and Jill Vincent
Home Assignment, Germany

Please pray as we rest, renew, and retool for ministry during our Home Assignment. We are so thankful for the Cadence limited-term staff filling in for us while we are away. We feel blessed to have a leadership team at the Hangar to carry on ministry! Please pray as we seek to raise prayer and financial support.

We will speak at Rochester Christian Church in Rochester, Michigan, on December 9 and at Dewitt Redeemer Church in Dewitt, Michigan, on December 29. Pray we will communicate effectively and that the Spirit will move in people's hearts as He desires.

WEEK OF DECEMBER 29

Tim and Bobbi Bettger
Fort Moore, AL

Please pray for us as we will take a team from our chapel to Mexico over New Year's weekend to build a Home of Hope with YWAM for a needy family. We currently have 27 team members going with us, including two chaplains and their families. Pray for successful team building and for the family who will be receiving the home that they will also be moved to accept their eternal home (if they haven't already). Pray also for safety while traveling and on the build site. We are still raising the funds for this and are trusting the Lord's provision for this family.

A note from David and Joyce Schroeder

In the past few months, Joyce and I initiated a discernment process with the Lord and then with the Cadence Board of Directors. The goal for this process was to discover God's timing for us to conclude our current roles in Cadence (President and Communications Editor) and transition to a new season of responsibilities in Cadence that will further the cause of this wonderful ministry to military people and their families.

We have decided this coming summer in July 2025 will be the ideal time for this transition of leadership to take place. At that time, I'll have completed 30 years as President of Cadence. This transition may take longer if the Cadence Board of Directors' search process for the next President is extended. It has been an honor to steward these roles and we are peaceful about this timeline. We're excited for the future of Cadence and for our new season of contributing to the ongoing fruitfulness of this ministry. You can watch a short video from Joyce and me regarding this process and decision at Cadence.org. Thank you for your prayers for us and Cadence through this important season.
