ADVENT 2024

### *A Home for the Holidays*

Over the past seven years, we have opened our doors to provide a warm and welcoming home for the holidays, offering comfort and joy to countless brave men, women, and families who serve in the military. This heartfelt mission has been made possible through the unwavering support and generosity of our incredible community, whose compassion has significantly transformed the lives of these families during the holiday season.

From the comforting aroma of Thanksgiving dinners, where laughter and gratitude fill the air, to our lively Christmas brunch designed for those who may be spending the holidays alone, we plan a diverse array of events. Each gathering is thoughtfully designed to envelop our military community in the joy and warmth these special times of the year bring. These occasions go beyond merely serving a meal; they are about crafting cherished memories, fostering connections, and spreading the uplifting spirit of the holidays rooted in the love of Jesus Christ.

One poignant story that stands out is that of a young Sailor named Hitch, who joined us for our Christmas morning brunch a few years ago. Hitch arrived seeking companionship that day, longing to be surrounded by others rather than facing the holiday alone. He missed the comfort of family and sought a community where he could feel accepted and valued. As he walked through our doors, his spirit lifted amidst the fragrant cinnamon rolls, playful games, and the joy of a white elephant gift exchange. In that moment, surrounded by warmth and camaraderie, he expressed, “This is what I needed in my life—community.”

That Christmas brunch became the catalyst for a profound journey of transformation in Hitch’s life, sparking a series of events that led him toward sobriety, baptism, and an eager desire to follow Jesus. Providing a home for the holidays made a lasting impact on this young man’s life—a testament to the true purpose of our mission.

“This is what I needed in my life—community.”

None of this would have been possible without the invaluable financial partnerships we have formed with generous supporters like you. Your steadfast commitment and contributions have enabled us to be a beacon of hope and a place of solace during the holiday season, fulfilling our calling to provide both a welcoming space and nourishing meals. We are deeply grateful for your unwavering support and the integral role you play in our mission.

As we look to the future, we humbly seek additional financial partners to join us in expanding our mission. Together, we can continue to be a home for the holidays and a home away from home throughout the year, creating lasting impact on the lives of people like Hitch and many others who seek connection and support. We currently need to raise \$8,800/month to cover our moving expenses, insurance, salary, and ministry expenses at Fort Liberty. We’re looking for monthly support, in any amount, to continue providing a Christian community for our service men and women. Your partnership is vital, and we are deeply grateful for your support in this journey.

With gratitude,
