

# Sneller Salute

Gelterswoog

**Thank you for giving of yourself to us and to this ministry.** What a treasure! To mark Thanksgiving and the anniversary of relaunching the hospitality house, we wanted you to hear “Thank you!” from a few in our community. Receive their thankfulness and ours with glad hearts. We are here because of you. This community exists because of you. You make all the stories we share possible. We are incredibly grateful for your involvement and investment in sharing the gospel and your life with the military community!

We’ve loved our time at the Kaiserslautern Hospitality House! Your steadfast support has transformed this place into a true sanctuary—a home where the weary find rest and strangers become kin.

I’m profoundly grateful for your generosity, which has allowed the Sneller family to pour into this community with open hearts. Because of you, Oreos have slid across faces, lives have been changed, hope has been restored, and the bonds of belonging have deepened.

As we celebrate this milestone, I’m reminded of the Hebrew idea of shalom—wholeness, harmony, and the restoration of right relationships. That’s exactly what we witness happening here.

As Deric would say, “Yay God!”

Thank you for your support of overseas mission work for military members and their families. The people stationed overseas often have trouble finding Christian community to share in life’s experiences. We believe that God never wastes time or opportunity, so the time us military families spend overseas should not just be a time to bear until moving back to America. It should be a time when we can grow closer to Jesus, become more like Him in our hearts, and spend time with like-minded others. That is the beautiful thing about Cadence International. Thank you for your support that allows the message of Jesus to be shared with our heroes and their families.

Happy Thanksgiving! Thank you for your faithfulness in giving to the Lord through your support of Deric and Rebecca at the Kaiserslautern Hospitality House. My family and I moved to Germany from Texas in August 2024. Deric and Rebecca immediately welcomed my family and have been loving on us since our arrival. They have created a warm, inviting space on Friday nights for genuine worship and study of God’s Word.

We are so incredibly thankful for the love and leadership of the Cadence house leaders here in Kaiserslautern! It has truly been a blessing for us as a family and individually. Deric and Rebecca lead and guide with such grace and it is an affirmation that God is so good! Friday night at their house is our most favorite time of the week. Thank you for your outreach in this area of Germany! May God continue to bless the house here for years to come!

Thanksgiving last year was our introduction to Cadence. As I travel home today, closing our season in Germany, we are immensely grateful for the spiritual nourishment, connections, meals, and opportunities to serve through the hospitality house. The Sneller family and the house will always hold a prominent place in our memories of Germany, and we hope to carry the hospitality forward into the seasons ahead.

**MINISTRY NEED**

Because we are committed to honest communication with our donors regarding our needs, we want to let you know that in our first year we had some significant unexpected expenses. There were multiple vehicle and home repairs that were not foreseen, could not be delayed, and were costly. Besides these one-time expenses, our missionary work account covered about \$750 of the hospitality house expenses each month for several months while the new community formed.

Considering these unexpected expenses, we need to raise \$1,250 monthly to cover house expenses. A one-time gift or any increase to current giving would help cover the difference. Thank you for supporting and sustaining us in ministering to the military. We are grateful to be sharing the gospel and our lives in the Kaiserslautern Military Community because of you.

Much love and God bless,  
**Deric Sneller (on behalf of the Snellers)**
