ADVENT 2024

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

JOHN 1:14

The Airmen are due to arrive for our study on relationship goals in about 45 minutes, so I thought, what better time to write an update? We have been meeting in our home for the past couple of months and are building into the lives of young Airmen. We love the life that they bring with them and their desire to grow closer to Jesus.

One couple has been especially encouraging as we see the Holy Spirit work in them! She is a brand-new believer, but you would never know by her maturity. Letty is getting together with her one-on-one so she can disciple her outside of our weekly group study. I am meeting with her boyfriend, who led her to the Lord. Both are faithful in coming to our studies and in their walks with God.

Many of the guys coming are younger than our boys, so it is a real shift from our ministry in the Netherlands, which was mainly older guys. We like the change, but as John 1:14 mentions, we need to be more like Jesus, full of grace and truth. It can be challenging as we strive to meet them where they are. Pray with us that everyone who walks through our doors feels loved, like only Christ can love and, at the same time, that we can live out and share the truth.

We love the connections we are building in the chapel on base and our church

off base. Our church is teaching and training us in discipleship. We love the teaching we are receiving and are excited to partner with them to focus on discipling the active-duty military who attend. We are so thankful for the work God has done in laying a foundation so that we can let Him continue to raise up the body of Christ around us to better glorify Him!

During this Christmas season, we are so thankful that Jesus became flesh and "moved into the neighborhood." We rejoice that we have seen His glory and can share His grace and truth with the military around us. We also praise God for the faithful prayers and support we have been blessed with. We would love it if you would consider a special year-end gift to The Wright House to help cover the increased cost of food and hospitality. Yes, these Airmen know how to eat!

Christmas Blessings,

Dwight and Letty

PRAY WITH US:

- For the discipleship program to thrive!
- For us to love well all who enter our home!
- As we share the Word who became flesh with those who don't know Him yet – we have several attending regularly!
