PRAYING FOR MINISTRY TO THE MILITARY

FEBRUARY 2025

WEEK OF FEBRUARY 2

Katie Lambert
Headquarters, CO

The mobilization team will attend Lancaster Bible College and Moody Bible Institute's missions conferences on February 3–7. Please pray for God-appointed conversations, open doors with professors, students, and faculty, and opportunities to share in classes.

Laurel Givry
Fort Jackson, SC

Please pray that the 5 Love Languages event on February 7 will enrich marriages. Many husbands attending are not yet believers or need to grow spiritually. Pray God will use this event to build friendships among the couples, as well, so that the spiritually mature men can be an example and help point the others to Christ. Pray for the wives to patiently live out their love for Jesus daily and continue to grow in Him.

Presidential Board Search Committee
Please be praying this month for the presidential search process. Pray for the Board of Directors and the Board Search Committee as internal candidates submit their applications. Pray for wisdom from above as they discern God's leading in this process. Pray for God to lead each of the applicants who apply.

Greg and Heidi Carlson
Naval Base Kitsap, WA

Pray for those in our ministry who are struggling. One young mother wept during a recent prayer time as she shared with our group that she misses her deployed husband and faces motherhood all alone. The group is coming alongside her and others in need. Heidi's mid-week Bible study has grown from two to twelve. Please pray for wisdom for her and a partner in ministering to the ladies.

Deric and Rebecca Sneller
Kaiserslautern Military Community, Germany

We will be assisting with launching a new chapel service. Pray we will be an encouragement and support to the chaplains leading the service and that we will welcome people well. Also, we have started a new study at the hospitality house on practicing spiritual disciplines. Pray this discussion will give our military community tools to strengthen and grow their faith.

WEEK OF FEBRUARY 9

Danny and Kathryn Perez
Eastern U.S. Field Leaders, NC

Pray our oldest son will continue to prepare himself spiritually for his next duty station and that he will thrive there in his walk with Christ. Pray for another one of our sons and his wife, along with other military couples, who are gathering at The Cove for a military marriage retreat on February 14–16. Pray they will be blessed and enriched by the time invested there. Pray for one of our chaplains and his wife as they await placement for the adoption of their first child here at Fort Liberty.

Lou and Cathy Rozmiarek
Headquarters, CO

We will be at Fort Irwin on February 14 to meet with Isaac and Andrea Beasley. They are part of our Cadence Associate Field Staff (CAFS) and hope to begin a ministry at this remote location. Please pray for possible connections with chaplains and clarity as we evaluate their ministry focus together.

Duncan and Angie Sprague
Headquarters, CO

Please pray for us as we create the RV route for our next Cadence Alumni Hub to the Southwest region from March 7–May 9, 2025. If you are a Cadence Alumni and live along the listed route, please get in touch with us so we can meet you and hear your Cadence story. Our planned itinerary is: Colorado Springs, Albuquerque, Phoenix/Tucson, Las Vegas, San Diego, LA, Ventura, Fresno, San Jose, Sacramento, Redding, Salt Lake City, and Grand Junction. For further details or to schedule a meeting with us, email Angie at Angie.Sprague@Cadence.org.

Chris and Melissa Stephenson
USAG Wiesbaden, Germany

Please pray as we are in a season of preparing for Home Assignment and relocation to North Carolina to start a new ministry at Camp Lejeune. We also covet your prayers to find the perfect dwelling to host ministry.

Paul and Sandra Bradley
Europe Field Leaders, ID

We are making plans for the Victory Villa 50th Anniversary Celebration in Rota, Spain, on October 23–25, 2025. Please pray that this will be an encouraging time for all who attend and for the planning team to rely on the Lord as we plan this event while continuing our current responsibilities. We look forward to celebrating everything God has done through the ministry of Victory Villa throughout the years. We invite all Cadence Alumni who participated in this ministry to attend. For more details, email Angie.Sprague@Cadence.org or visit Cadence.org/Rota50Celebration.

Praise

Deric and Rebecca Sneller
Kaiserslautern Military Community, Germany

We praise God for those in our community who have decided to read through the Bible in a year, many of them for the first time! Pray for persevering faith for those who are doing this out of curiosity or passion.

Kevin and Sharon Scheible
Joint Base San Antonio-Fort Sam Houston

Praise God for a Sailor who recently became a believer. After joining us for Christmas dinner, he reached out to me about baptism. If he was not a believer before our conversation, he is now! Please pray for his new walk with Jesus and that we'll firm up the details for his baptism.

Katie Lambert
Headquarters, CO

Summer Internship applications were due January 1, 2025. We are excited to see how the Lord uses each of these summer Interns this year! It has been a joy getting to know each of them through the application process and now as Interns.

Peter and Tanya Kinney
Ellsworth Air Force Base, SD

We had a wonderful ministry relaunch in December, including a packed house full of Airmen on Christmas Eve.

Greg and Heidi Carlson
Naval Base Kitsap, WA

Thank God with us for the beautiful spectrum of people God has brought to 47 North. One of our young mothers (age 18) is expecting in February. We are grateful that her husband (age 19) has returned from submarine deployment to be at the birth. Both are on our Servant Team, helping us lead the ministry.

Kevin and Sharon Scheible
Joint Base San Antonio-Fort Sam Houston

Praise God for a great start to our 1 John study. Please pray God will use this study to help Soldiers live and love like Jesus.

WEEK OF FEBRUARY 16

David and Joyce Schroeder
Headquarters, CO

Joyce recently self-published a book, *The March and Music of Military in the Bible*. Please pray with us that it reaches people, both military and civilian, who will be encouraged, challenged, and strengthened by its message.

Nate and Louise Johnson
Western Pacific Field Leaders, CO

Please pray for our Cadence Associate Field Staff (CAFS) across the WestPac who are facing unique obstacles as they seek to share the gospel and their lives in the communities they serve while balancing ministry with other commitments (work, active-duty military service, etc.). Pray also as we prepare for the WestPac field conference in June.

Ralph and Betty Camp
Ambassadors, OR

We are beginning to feel settled in Oregon. We have purchased a reliable vehicle and are starting to develop relationships with our neighbors. We are meeting with several believers in a discussion group every two weeks and getting settled into a Bible Study at church. Please ask the Lord to enable us to be effective for Him here. God has blessed Betty with a retinologist less than a mile from home to care for her macular degeneration.

Danny and Kathryn Perez
Eastern U.S. Field Leaders, NC

Would you continue to pray with us that God's people will give to The Joshua Project and the needs of Victory Ranch for the next few months before the campaign ends? If you are interested in learning more, go to Cadence.org/JoshuaProject.

WEEK OF FEBRUARY 23

Paul and Sandra Bradley
Europe Field Leaders, ID

Please pray for our mission-wide Selah retreat this week. Selah is a time for our staff to corporately and individually rest, receive, and rejoice in the Lord. Pray for the Spirit's movement in each person's heart, that they will experience God's love and grace and be refreshed personally and spiritually so they can move back into ministry with renewed energy.

Peter and Tanya Kinney
Ellsworth Air Force Base, SD

Pray for ministry going forward into the new year. We are continuing to teach through the Gospel of Luke on hospitality house ministry nights. Many of our troops will soon be temporarily stationed elsewhere while the base runway is being renovated. I plan to visit those who will be in North Dakota and wish I could visit the ones going to Guam. Pray they will all stay strong in their faith while they are away.

Dick and MaryEtta Reynolds
Headquarters, CO

Several of our Ambassadors are experiencing health challenges. Pray for peace and patience as attending medical staff determine the best treatment options and care. We are blessed to serve those who have gone before us in ministry to the military.
