PRAYING FOR MINISTRY TO THE MILITARY

MARCH 2025

## WEEK OF MARCH 2

**David and Joyce Schroeder**  
**Headquarters, CO**

The Cadence Board of Directors will meet in Colorado on March 7–8. Pray for wisdom and discernment from God, for clear leading to the next president of Cadence, and for unity and joy as they serve the Lord and support ministry to the military.

**Joe and Jill Vincent**  
**Spangdahlem Air Base, Germany**

February 13 was our first ministry night after returning from our Home Assignment. Pray for us as we transition back into full-time ministry at The Spang Hangar ministry house. God is good all the time, and we are thankful and blessed!

## WEEK OF MARCH 9

**Executive Leadership Team**  
**Headquarters, CO**

As Cadence continues through a season of change and transition with the future appointment of a new president, please pray that the Spirit will bless the whole organization with spiritual strength and peace.

**Duncan and Suzanne Forbes**  
**Commander Fleet Activities Yokosuka, Japan**

Our women's group is focusing on prayer and the armor of God. Please support us in prayer as we dive into how prayer can change our lives and how the enemy wants to undermine that process.

## *Praise*

**Joe and Jill Vincent**  
**Spangdahlem Air Base, Germany**

Praise God for our four-month Home Assignment (HA). We learned many things during this time. We are thankful for the rest we received through God's love and presence and for the renewal of friendships and family time. We were blessed by many along the journey. We finished our HA in Spain, where we enjoyed the sunshine and experienced God's love before returning to Germany.

## WEEK OF MARCH 16

**Katie Lambert**  
**Headquarters, CO**

Be praying for our interns as they raise support so they can begin their internships in May. Also, please pray for our full-time field staff who will host our interns, that they will know best how to disciple, train, and invite them into the ministry.

**David and Joyce Schroeder**  
**Headquarters, CO**

The annual FCMM (Fellowship of Christian Military Ministries) conference will be held in Colorado on March 24–26. Please pray for a fruitful time as several leaders from Cadence join leaders of other military ministries for encouragement and equipping. Please also pray Matthew 9:37–38 with us: “The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”

## WEEK OF MARCH 23

**Paul and Sandra Bradley**  
**Europe Field Leaders, ID**

Please pray for our upcoming Europe Men's Retreat in Rome on March 29–April 3. Our goals for the retreat are to connect, refresh, challenge, and adventure together. Our theme for the week is “Redemption Stories.” During the retreat, each man will share his own redemption story, either a salvation testimony or a time in his life when the Lord redeemed a difficult situation.

## WEEK OF MARCH 30

**Brian Kleager**  
**Foreign Military Ministry, CO**

Early next month, April 5–15, Paul Bradley and I will travel to Ukraine to train chaplains in Kyiv then travel to the frontlines, where we will provide direct chaplain care for Soldiers and deliver relief supplies for civilians.

Please pray for God to prepare the way before us and direct our steps as we plan.
