PRAYING FOR MINISTRY TO THE MILITARY

APRIL 2025

## WEEK OF MARCH 30

**Paul Bradley and Brian Kleager, Foreign Military Ministries, CO**  
On April 3–16, the two of us, along with two others (a friend who is a dentist and Brian's son, Jacob), will be meeting with chaplains and Soldiers in Eastern Ukraine. We will provide training related to trauma and stress injuries, offer frontline dental care, and meet the practical needs of Soldiers on the front lines. Pray for people to experience Jesus through us, for their faith in Him to begin or grow stronger, for healing to occur, and for God to protect us spiritually and physically.

**David and Joyce Schroeder, Headquarters, CO**  
We will visit Cadence staff in Japan and Korea and participate in the Asia Staff Conference this month. Please pray that these visits will bring mutual encouragement and glory to God. "May our Lord Jesus Christ himself and God our Father, who loved us and by his grace gave us eternal encouragement and good hope, encourage your hearts and strengthen you in every good deed and word." 2 Thessalonians 2:16–17

**Lou and Cathy Rozmiarek, Headquarters, CO**  
Our spring candidacy is scheduled for April 6–11. Please pray for the candidates who are traveling to Colorado to participate. We need the Lord's guidance and wisdom as we discern whether they are a good fit for Cadence.

## WEEK OF APRIL 6

**Dave and Bonnie Lambert, Asia Field Leaders, CO**  
We would appreciate your prayers for our missionaries on the Asia Field as they gather in Tokyo from April 9 to 14 for our annual field conference. Pray it will be a time of encouragement and refreshment.

**Danny and Kathryn Perez, Eastern U.S. Field Leaders, NC**  
Pray for a community chaplain and his wife as they continue to wait on Jesus to give them children through adoption. Pray for our son, who recently deployed to Okinawa, to quickly find a deep community to fellowship with and light the darkness together.

**Tim and Bobbi Bettger, Fort Moore, AL**  
Please pray for Tim as he heals and regains strength after his two abdominal surgeries. He will need to wait for several months for a procedure to reverse his ileostomy due to an infection. This is a discouraging setback, as we will be traveling in May and this will make the travel more difficult. Please pray for Tim's healing and for the Lord to encourage his heart.

## WEEK OF APRIL 13

**Danny and Kathryn Perez, Eastern U.S. Field Leaders, NC**  
Please pray that those who participate in Resurrection Day celebrations in our worldwide ministries will overflow with gratitude as they remember that we are slaves no longer!

**Angie and Duncan Sprague, Headquarters, CO**  
Duncan and I are back on the road, visiting our Cadence Alumni and Friends for our nine-week Southwest regional hub trip, and we are loving it! As we listen to people share their current stories with us, we are in awe of what God is doing both in and through Cadence Alumni. Please pray that we will be an encouragement as we seek to listen, love, and launch people to Jesus and military ministry opportunities.

**Michael Martin, Camp Humphreys, Korea**  
Pray for me as I invest in and serve a few groups of youth who are inquisitive, responsive to apologetics, and listen well. I am grateful for this opportunity.

**Greg and Heidi Carlson, Naval Base Kitsap Bremerton, WA**  
Pray for the families of Sailors who have just departed for a long deployment. Pray for their encouragement during this time of separation and that they will develop a habit of looking towards God to meet them in all the emotions they will encounter.

# Praise

**Danny and Kathryn Perez, Eastern U.S. Field Leaders, NC**

We praise Jesus and thank you for praying for our son, who has faced legal action within the Marines over the last few months. The Lord has been incredibly gracious, and he is now in Okinawa with a new beginning ahead of him. He is doing well spiritually and recognizes that the Lord rescued him. We praise God for His work in another one of our sons' lives. He will begin graduate school in August. Pray with us for blessing on his life.

## WEEK OF APRIL 20

**Joe and Jill Vincent  
Spangdahlem Air Base, Germany**

There is a lot of illness here in our community. Pray for quick healing and recovery.

**Julie Converse  
Fort Wainwright, AK**

Our PWOC women's study of Genesis will wrap up at the end of April. Please pray that the truths we have studied will find a permanent home in these ladies' hearts and change their lives. Also, the Leadership Selection Committee is in the process of choosing the Board positions for next year's board. Please pray for women to apply and for the committee to have God's wisdom and discernment in its selection for the five Executive Board positions.

**Paul and Sandra Bradley  
Europe Field Leaders, ID**

Please pray for the ten ladies who will attend the Europe Ladies Retreat in the Netherlands on April 27 to May 1. Pray for rich and meaningful times with the Lord and with each other, and that they will return home refreshed and encouraged.

**Lou and Cathy Rozmiarek  
Headquarters, CO**

Thank you for praying for our West Coast trip in February and March. We are excited about the potential for two new ministries to open up through our Cadence Associates Field Staff (CAFS) program. Please pray that ministry will begin soon at Camp Pendleton and Fort Irwin.

## WEEK OF APRIL 27

**Deric and Rebecca Sneller  
Kaiserslautern Military Community, Germany**

We continue to seek wisdom about our children's schooling plans for next year. Pray for clarity as we determine the next steps for each of them. Also, I (Deric) have experienced both the rewards and challenges of returning to the Army Reserve Chaplaincy while serving as Cadence staff. Please pray for discernment as I serve in this role and balance the demands of both my positions.

**Danny and Kathryn Perez  
Eastern U.S. Field Leaders, NC**

Would you pray for the salvation of several Soldiers, two women and two men, with whom we spend a lot of time? Pray for two hurting marriages. In one of the marriages, the husband needs a spiritual breakthrough and humbling before the Lord. In another, a spouse is seeking truth from Jesus regarding lies and strongholds. This couple is fighting for healing and reconciliation and needs prayer support.

**Greg and Heidi Carlson  
Naval Base Kitsap Bremerton**

Pray for three female officers from our ministry who are strong believers head as they head to new commands this spring. As they transition, pray they establish themselves in Christian communities and discover who God desires them to share His good news with.
