

PRAYING FOR MINISTRY TO THE MILITARY

JULY 2025

WEEK OF JUNE 29

**Danny and Kathryn Perez,
Eastern U.S. Field Leaders, NC**

The Cadence Eastern Field missionaries will be together for our staff conference near Lancaster, Pennsylvania, from July 27–August 1. Pray for an exceptional time of learning as we absorb “The Seven Laws of the Learner” seminar and gain encouragement from His Word and each other. Pray for Danny as he presents and hosts the conference, that his energy and stamina will be high and sustained through the week.

**Lou and Cathy Rozmiarek,
Headquarters, CO**

Thank you for praying for our busy travel season. Our time at the WestPac conference went well. We also had a wonderful visit with the Concepcions, who have started a new Cadence ministry at Great Lakes Naval Station. We will attend the Eastern Field staff conference in July. Please pray for good connections with the staff and that our training will be well-received.

**David and Joyce Schroeder,
Headquarters, CO**

Thank you for praying for our 30-year Celebration. We are grateful to God for all He has done in these years and are thankful for the encouragement and beautiful wrap-up to this season of ministry. If you'd like to see the recording, you can find it at Cadence.org/SchroederLivestream.

WEEK OF JULY 6

**Danny and Kathryn Perez,
Eastern U.S. Field Leaders, NC**

Pray for the transition from the Balls to the Quattlebaums, as the new Directors of the Fort Bragg Hospitality House. Pray for our son, Regent, as he moves his wife and three small children from Fort Stewart to Fort Drum in July. Please ask for God's blessing on their lives and for His help during this transition.

**Duncan and Suzanne Forbes,
Commander Fleet Activities, Yokosuka**

It is time for us to begin preparing our application for our visa renewal. We plan to submit a five-year extension, with the hope and prayer that the government will extend it for at least three years. We covet your prayers!

**Katie Lambert,
Headquarters, CO**

Pray for our Interns as they finish up their internships. We are grateful for the Kingdom investment in their military communities, and our prayer is that the seeds that were planted will continue to grow after our Interns head home.

WEEK OF JULY 13

**Ralph and Betty Camp,
Ambassadors, OR**

I (Betty) fell in February and broke my patella. I had surgery on March 3, but my knee failed to heal, so I had another surgery in April. The healing has been slow, but we are hopeful. Please pray for complete healing and for Ralph to get the rest he needs as he cares for me.

**Danny and Kathryn Perez,
Eastern U.S. Field Leaders, NC**

Pray for me (Kathryn) as I speak on “Loving Your Neighbor” at PWOC (Protestant Women of the Chapel) at Fort Bragg on July 15 and 22. Pray the ladies will be challenged to be salt and light in our community.

**Michael Martin,
U.S. Army Garrison Humphreys, Korea**

Please pray for a buddy of mine who just rotated back stateside and is already having family struggles. Pray he will find someone to help him understand and process his intense emotions.

WEEK OF JULY 20

**Katie Lambert,
Headquarters, CO**

Pray for our summer 2025 Intern Debrief on July 22–24. This is a time when our Interns come to Denver to celebrate, reflect on, and process all the Lord did during their internships.

**Michael Martin,
U.S. Army Garrison Humphreys, Korea**

I've had new men contact me recently, expressing interest in studying their Bibles. When we meet, they appear interested (even take notes) and then back off. I am puzzled by this and unsure how to minister amid this new challenge. I have prayed, fasted, and talked with others about this situation, but it's difficult to know how to change the format of ministry that has been sound and effective for the past 18 years. Also, I am working to organize a group of folks for a trip to The Baby Box in Seoul this month. Pastor Lee has a powerful testimony that always impacts those who hear it.

**Joseph and Jill Vincent,
Spangdahlem Air Base, Germany**

Pray for more full-time workers to serve on the Europe field as God leads them. Also pray for our many projects at the house and for our volunteers and the ministry this summer as many of the people who attend the house are moving.

WEEK OF JULY 27

**Bob and Stephanie Caudle,
Headquarters, AR**

Please pray for Travis Hospitality House CAFS staff, Erin and Aaron Brackett, as they begin partnership development. Pray that the Lord will provide ministry and financial partners for them this summer so they can serve full-time at Travis as soon as possible.

**Melissa Rafferty,
Kadena Air Base, Japan**

Please join me in prayer for our Cadence contract on base. We have been working with the chapel to run the ministry center on Kadena (Wired Bean) since 2012, and this year, they want to make changes to the contract. We have been waiting for the new contract to be advertised so we can apply, which has led to a lapse in our current contract and has had a significant impact on our base access, the ability to drive our cars, and all that comes with living overseas. The chapel has been gracious in helping us obtain temporary extensions, but there is currently no known date for the new contract. We would appreciate your prayers for a speedy resolution so we can continue to reach out and connect with junior enlisted service members through the Wired Bean.

**David and Joyce Schroeder,
Headquarters, CO**

Please pray for Dave Hutchings, the new President of Cadence International. Pray for wisdom, strength, protection, and joy as he steps into these significant responsibilities.

Praise

**Danny and Kathryn Perez,
Eastern U.S. Field Leaders, NC**

Thank you for praying for our son, USMC Gunny Maxton Perez. He is finding community on Okinawa and encouragement from brothers-in-Christ. He is doing well with his spiritual and professional "fresh start" that the LORD has graciously given him.

**Joseph and Jill Vincent,
Spangdahlem Air Base, Germany**

Praise the Lord for a growing ministry here at our hospitality house in Spangdahlem, Germany. We are blessed and humbled to be here. We praise God for Stacy Wiens, Director of Communications at Headquarters, and her hard work on behalf of all Cadence missionaries for the last 18 years. The Lord has led her to another job and she will be greatly missed. Cadence has been so blessed to have her.

**Bob and Stephanie Caudle,
Headquarters, AR**

Praise the Lord for safety and the good work that has been accomplished at the Travis Hospitality House by the Facilities Maintenance Team. The renovations of an outbuilding into a one-bedroom apartment and the updates to the other apartment will provide financial benefits and also expand the ministry's depth and discipleship.
