

PRAYING FOR MINISTRY TO THE MILITARY

AUGUST 2025

WEEK OF AUGUST 3

Peter and Tanya Kinney
Ellsworth Air Force Base, SD

We appreciate your ongoing prayers for our main ministry nights on Thursdays. We are studying the gospel of Luke, chapter by chapter and verse by verse. We will camp together as a group on August 1–3. Please pray we will have a good time together in the Lord.

Joe and Caitlin Fletcher
NAS Oceana, VA

We need to update and revamp our childcare spaces to serve the growing number of children attending. Please pray for the resources and manpower to accomplish this goal before the summer ends.

Danny and Kathryn Perez
Eastern U.S. Field Leaders, NC

We are involved with a couple whose marriage is in crisis. Pray that the wife will continue to seek Jesus to be her one and only and that the husband will repent and return to Jesus. Pray that our staff will return home from the Eastern Field Staff Conference (July 27–August 1) energized to utilize *The Seven Laws of the Learner*, taught by Danny.

WEEK OF AUGUST 10

Kevin and Sharon Scheible
Fort Sam Houston-San Antonio, TX

Please pray for our new weekly, on-base ministry that started on July 11. As trainees are not allowed off-base, we are bringing Cadence hospitality ministry to them! We've had a great response so far. Please pray that we will prepare the right amount of food for an unknown number. As we look at the “one another” Scripture passages, please pray that God will create a community that cares well for one another and leads people to Jesus.

David and Andrea Hutchings
Headquarters, CO

Pray for the mission and our family as we navigate the first few months of new leadership as I (Dave) step into the role of Cadence President, which is a great honor. Pray for growing wisdom, peace, and reliance on Jesus as I care for staff and lead the organization.

Danny and Kathryn Perez
Eastern U.S. Field Leaders, NC

Please pray for our dear friend who hasn't yet trusted in God's love. Pray for her salvation and His care for her as the Army releases her due to medical issues. She is frightened as she faces an unknown future.

WEEK OF AUGUST 17

Chris and Melissa Stephenson
Camp Lejeune, NC

We praise the Lord for 25 years of marriage this week! We need prayer in the coming months that our home assignment will be fruitful in preparing us for a new ministry to Marines and sailors at Camp Lejeune. We also praise God that Melissa's 16-year-old niece, Olivia, is currently in remission from cancer. Please pray that the cancer is defeated permanently and that the Lord prepares our hearts if the fight is not over.

Danny and Kathryn Perez
Eastern U.S. Field Leaders, NC

Pray for Cadence staff, Bob Caudle, as he makes updates and repairs to The Bragg Hospitality House in August and September. He is preparing the house for the new Directors, Jeremy and Shawna Quattlebaum.

Char Hauser
Marine Corps Base, HI

Evangelical Women of the Chapel's 2025–2026 kickoff is August 12. We will start the new year by studying the book of Judges: “Who will Lead Us?” We are trusting the Lord to provide three childcare workers, a hospitality coordinator, and a childcare coordinator. These volunteers are essential to help the mothers who attend the study meet and grow in their relationships with Jesus. Thank you for your prayers.

WEEK OF AUGUST 24

Lou and Cathy Rozmiarek **Headquarters, CO**

Please pray for me (Cathy) as I attend a support raising conference on August 27–28. I would like to learn some additional tools and gain new ideas so I can train our missionaries well to build their teams.

Jeff and Candace Walton **USAG Humphreys, South Korea**

We are taking a break from our series in Luke to do something a little different. We will watch movies and discuss moral and ethical issues, as well as teach people how to observe media critically and glean truth. The topics we will cover are

the morality and ethics of war as a Christian, redemption, forgiveness, and compassion for others. Pray that our discussions will be relevant to the soldiers and that they will be more discerning in the media they choose to consume.

Joe and Jill Vincent **Spangdahlem Air Base, Germany**

Pray for families whose spouses have been deployed since October 2024. They were due to return in May 2025, but the deployment has been extended to September 2025. Pray for our material needs: a van, refrigerator, washer, and dryer. We trust God for all our needs.

David and Joyce Schroeder **Headquarters, CO**

We need and value your prayers as we begin our first year-long Home Assignment since 1988. This time will involve resting, seeking the Lord for our next Cadence assignment, and increasing our financial and prayer support.

Tim and Bobbi Bettger **Fort Benning, GA**

Please continue to pray for Bobbi as she recuperates from a successful emergency back surgery and for Tim, as he will have surgery in the future to reattach his colon.

Praise

Melissa Rafferty **Kadena Air Base, Japan**

We praise God that Cadence has once again been awarded the contract to run the on-base ministry center at the Wired Bean coffee shop. The long season of waiting for the contract to be awarded was frustrating, disappointing, and confusing. But God, in His timing, worked in my heart to help reveal areas in which I needed to grow. I was also able to pause and reflect on the ways He has allowed us to serve in various capacities over the years.

Danny and Kathryn Perez **Eastern U.S. Field Leaders, NC**

Praise God for our dear chaplain friend and his wife, who have been matched for adoption after a long season of waiting. The baby boy will be born in Texas on August 14.

We praise God that Cadence Children's Worker, Sarah Rooney, begins ministering at Fort Benning this month! She still needs additional support but has been released to begin this vital ministry.

Jeff and Candace Walton **USAG Humphreys, South Korea**

We completed the Conquer Series Purity Course. Thank you for your prayers for our men as they fight for purity in their lives. Men have been making strides in their walk, and it has been wonderful to see how they are becoming more honest and vulnerable with others!

Katie Lambert **Headquarters, CO**

Praise God for another summer of great internships, which were completed on July 25 at our Intern Debrief in Denver. Please pray for each of them as they head back home and settle back into life before school starts at the end of August.

Joe and Jill Vincent **Spangdahlem Air Base, Germany**

Praise God for the testimonies shared by three of our people at ministry night last week. Their lives have been changed by Jesus!
