

PRAYING FOR MINISTRY TO THE MILITARY

SEPTEMBER 2025

WEEK OF SEPTEMBER 1

Bob and Glenda Ball

Home Assignment, NC

We will be going on Home Assignment in September as we prepare for our next location. During this time, we need to do some significant partnership development. We could use some prayer as we hit the road.

Peter and Tanya Kinney

Ellsworth Air Force Base, SD

Our little hospitality house on the prairie has been packed with people the last couple of ministry nights, and we are grateful! Our home is small and feels full when 30 people attend; lately we've had more than 40. We are surprised because we anticipated a quieter season and a small group due to the rotations of personnel and renovations on the base. Please pray that we will love and minister well with the resources provided. Pray also for the needed provision for an addition to the house/property.

Duncan and Angie Sprague

Headquarters, CO

Praise God for our son Ben's marriage to Anna Snell! Pray for Anna as she finishes her final semester of college at John Brown University. During this time, Ben will work to increase the financial support they need to continue their ministry of serving military families.

Praise

Bob and Stephanie Caudle

Headquarters, AR

We praise God for the couple and two singles who will attend the October Candidacy on October 5–10, 2025.

Michael Martin

Camp Humphreys, Korea

I am grateful for the four skilled preachers on staff at 4 CMC Chapel, who prepare well before they preach, provide sustenance for the congregation, and are good, godly models.

I am also thankful I can attend a local church and weekly Bible study led by a Korean-American couple. The church holds a deep reverence for worship, prayer, and communion, something I have missed for a long time. I look forward to an ongoing relationship with the leaders and members. We are still a small group but are beginning to attract young military families.

Joe and Jill Vincent

Spangdahlem Air Base, Germany

Praise God for three leaders who have stepped up to split responsibilities for ministry to 45 kids at The Hangar! We are thankful for the many ways people are rising up to lead and care for others on their faith journey.

WEEK OF SEPTEMBER 8

Joe and Caitlin Fletcher
NAS Oceana, VA

A new-to-our-ministry sailor, A, has come to us from Victory Villa Hospitality House in Rota, Spain. She is praying for more young adult females to join her on Friday ministry nights and for a good friend. Please join us in praying with her that God will provide the fellowship she desires.

Lou and Cathy Rozmiarek
Headquarters, CO

Please keep Cathy in your prayers on September 10–11 as she attends Breakaway, a course designed to equip missionaries with practical tools to stay connected with their ministry partners, raise support while remaining on the field, and ensure full funding as they reach the military with the gospel of Christ. Pray for wisdom and discernment as she considers which aspects of the course to bring back and implement in Cadence.

Duncan and Angie Sprague
Headquarters, CO

We are planning our next Cadence Alumni trip, which will be the whole month of October 2025. The focus of this trip is to connect with as many Cadence Alumni as possible and visit each of our Cadence Europe ministries. Pray we will encourage them. Please contact us if you know of any alumni living in Europe. We cannot do what we do without you!

WEEK OF SEPTEMBER 15

Mark and Carol Kohl
Ambassadors, CO

As Cadence Ambassadors, we are no longer in full-time ministry but still want to help expand the Kingdom of God. This month, I (Mark) will begin my role as chaplain for the local Civil Air Patrol, providing guidance for cadets and serving the staff. I'm looking forward to this new area of ministry.

Bob and Stephanie Caudle
Headquarters, AR

Please pray with us that God will connect us or send us to people with a heart for the military who will join us in sharing the gospel and their lives. We have an immediate need for four full-time couples to fill Cadence houses and can readily place staff in children's, students, and adult singles ministries.

Michael Martin
Camp Humphreys, Korea

I am grateful that I genuinely love the high schoolers I work with and am not serving them merely out of duty. The youth are polite, inquisitive, responsive, and treat each other with kindness. I would appreciate prayer for opportunities to meet more of their parents and help them become active in the group regularly.

WEEK OF SEPTEMBER 22

Ken and Judi Wooten
Fort Hood, TX

Please pray for our ministry, "Men of Honor," as we host the September 27 Prayer Summit on Fort Hood. Pray for the chaplains and pastors from the community as they help lead our time. Thank you for praying.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Pray for the many transitions within our community as people move away and move in. God is good and so faithful to us here! Pray also for our trips to Normandy and Austria on Labor Day weekend.

Dave and Andrea Hutchings
Headquarters, CO

Please pray for our Cadence Leadership Summit on September 22–26 and Field Leader Summit on September 28–October 2. These gatherings are a time for leaders within Cadence to look ahead to the coming year and prayerfully consider how the Lord is directing us to effectively move forward as we share the gospel and our lives with the military community around the world. Pray for the Spirit's guidance, mutual encouragement, and unity.
