

PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2025

WEEK OF NOVEMBER 2

Eric and Janet Thimell

Victory Ranch, SC

Please pray for S in my 1 Peter study at Shaw Air Force Base. She has serious and ongoing difficulties with her eyes. Pray for a good doctor and some real improvement.

Paul and Sandra Bradley

Europe Field Leaders, ID

Please pray for the Europe Field two-day retreat we are leading on November 4 and 5. Pray for the Spirit to move us toward Jesus, for our hearts to be encouraged, and for each person there to love one another well.

Dave and Bonnie Lambert

Asia Field Leaders, CO

I (Bonnie) will be leading a retreat on November 3–7 for the ladies on the Asia field. Please pray for wisdom for me as I lead and for the ladies to be encouraged in their spiritual, personal, and professional lives.

Char Hauser

Marine Corps Base Hawaii, HI

This month, my ladies' Bible study is diving into the life principles of spiritual warfare, a topic our enemy would rather we ignore. But we press on, knowing that truth brings light and freedom. Please join me in praying for the hearts and minds of these precious wives. Many are walking through deep marital struggles and need strength, wisdom, and the covering of God's peace. Pray that God will remind them they are not alone and that victory is found in Christ.

WEEK OF NOVEMBER 9

Katie Lambert

Headquarters, CO

Thank you for all your prayers as the Mobilization team has traveled to schools and conferences to represent Cadence. Continue to pray as we follow up, speak with, and invite people to consider becoming interns or full-time staff members.

Jeff and Candace Walton

Camp Humphreys, Korea

Our chapel is holding a free clothing giveaway on November 8. One of our ministry participants is organizing it, with the support of our group. Pray that this will be an excellent opportunity to serve the soldiers in our community and that it would lead to connection and gospel conversations.

Michael Martin

Camp Humphreys, Korea

I hope to set a date to have surgery after the holidays to repair my meniscus. Please pray that my Korean national insurance will cover most of the cost and that I will find a capable surgeon.

Greg and Heidi Carlson

Naval Base Kitsap-Bremerton

Pray for encouragement for the sailors on the USS Nimitz and their families as they complete a long deployment (March to present day). Also, pray for families struggling with the effects of the government shutdown.

WEEK OF NOVEMBER 16

Peter and Tanya Kinney
Ellsworth Air Force Base, SD

We appreciate your prayers for the military ministry and hospitality house here in South Dakota. We want to “love ‘em well,” share the good news, and disciple our troops! After a home-cooked dinner on Thursdays, we study the Bible together. This month, we will serve Thanksgiving dinner for young airmen far from home and organize a Christmas tree hunt that weekend.

Michael Martin
Camp Humphreys, Korea

Our group had a great time visiting the Open House Children's Home. We brought gifts from soldiers and supporters and offered to provide a magician/musician/evangelist for their Christmas program. I would appreciate prayer for God to bring everything together without any tension or misunderstanding on anyone's part.

Dave and Andrea Hutchings
Headquarters, CO

Pray with us for new staff. Pray that God will move in people's hearts to join us in this powerful aspect of kingdom work. We have 16 bases asking for Cadence ministries, and we aren't able to provide this without additional staff.

Praise

Laurel Givry
Fort Jackson, SC

Praise the Lord for the rest I am getting on Home Assignment! It is restorative, and I am finding I have the capacity to think through some of our family's changing needs now that our children are older.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Praise God for a healthy baby boy born to E and K in our house ministry. We also praise Him for the visit of a missions team from a supporting church in Indiana.

Melissa Rafferty
Kadena Air Base, Japan

My team and I are beginning to make plans for Thanksgiving dinner, Christmas breakfast with stockings, and several holiday events at the Wired Bean on-base coffee shop. Many young men and women will be away from home during the holidays. We desire to provide opportunities for them to connect with others in their community and experience a sense of home and belonging. If you are interested in helping provide stockings for those who join us on Christmas morning, please email me at Melissa.Rafferty@Cadence.org.

WEEK OF NOVEMBER 23

Nate and Louise Johnson
WestPac Field Leaders, CO

Please pray for the many servicemembers and families who will attend holiday meals at the invitation of a friend or coworker who does not yet know Jesus. Please pray they will encounter Christ through the various ministries across Cadence.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Pray for the families in our ministry who will reunite this month after a five-month deployment. The transitions back into life together can often be bumpy and challenging. Pray also for increased financial giving towards the ministry.

Jeff and Candace Walton
Camp Humphreys, Korea

Thanksgiving away from home is hard, especially when separated from spouses and children. Please pray especially for the single and unaccompanied soldiers as they miss their families during the holidays. As we host this year's Thanksgiving dinner, pray that they will feel at home with us and experience God's love for them.

Dave and Andrea Hutchings
Headquarters, CO

Be in prayer as the Executive Leadership Team reviews applications and conducts interviews for the VP for Field Ministries position. This is a significant role in the mission, and we are trusting that God will bring the right person to this role.
