PRAYING FOR MINISTRY TO THE MILITARY

JANUARY 2026

WEEK OF JANUARY 6

Mike Martin

Camp Humphreys, Korea

In early January, a group of soldiers and I will travel to a children's home called House of Noah, bringing with us 20 pizzas, lots of chocolate candy, and a Korean magician/musician/evangelist. Please pray that the soldiers will engage well with the children and depart with a greater understanding of what it means to exalt Christ through their lives. (We will be flying kites with the children, so we'd also appreciate prayers for lots of wind!)

Greg and Heidi Carlson

Naval Base Kitsap-Bremerton, WA

A very young Navy couple, with a 1-year-old daughter and another child on the way, are temporarily residing with us as they wait for medical separation orders. We are learning to live life together in a redemptive way that they didn't experience growing up. The husband, a new believer, just finished reading through the Old Testament with me.

Melissa Rafferty

Kadena Air Base, Japan

We hosted numerous events over the holidays for those in our community. Please pray for the hearts of those who attended, that they will come to know the Lord and find a place in our community where they can grow in their love for Him.

Eric and Janet Thimell

Shaw Air Force Base, SC

Please pray for our new PWOC (Protestant Women of the Chapel) study through the book of Hebrews. Pray for good attendance and growth in Christ.

WEEK OF JANUARY 12

Peter and Tanya Kinney

Ellsworth Air Force Base, SD

My wife Tanya, the "hospitality house mom," turns 50 on January 13! She continues to cook wonderful meals for our troops. Please pray for her hand and arm, as her work in the kitchen and the repetitive motions this requires causes her pain. We continue to have a full house each week and are currently studying the book of 2 Timothy.

Jeffrey and Candace Walton

Camp Humphreys, Korea

Please pray for the mental health of our soldiers here at Camp Humphreys. There have been multiple suicides in the past few months. Please pray for divine intervention for these men and women who need to find salvation in Jesus Christ, and that they will visit churches or the hospitality house, where they can learn about the Lord. Pray that the Christian community here will be the hands and feet of Jesus to them. Also, pray over the barracks buildings where they reside.

Nate and Louise Johnson

Headquarters, CO

Please pray for me (Nate) as I begin my new role as the VP for Field Ministries. Pray for wisdom and vision as I steward the responsibility of leading the Field Leaders, our amazing missionaries, and their ministries.

Bob and Glenda Ball

Cannon Air Force Base, NM

As we prepare to open a new hospitality house in Clovis, New Mexico, we will visit the wing chaplain at Cannon Air Force Base in January. Please pray for favor with the chaplain and those we meet with as we continue to raise our team of supporters. Also, pray for protection as we travel and that the Lord will provide the right house at the right time.

WEEK OF JANUARY 19

Lou and Cathy Rozmiarek Headquarters, CO

We are very excited to see continued growth in our mission. Applications for internships, CAFS, limited-term, and full-time staff positions are increasing. Please pray for Lou as he and a teammate continue to train and shepherd the CAFS. Pray for Cathy and her Ministry of Partnership Development (MPD) coaches as she equips new missionaries to raise support and prepare for the field. Pray that the Lord will supply more coaches for her team.

Dave and Andrea Hutchings Headquarters, CO

Please pray for our mission-wide four-day Selah, which will take place during the last week of January. These are days our mission sets aside each year to rest in the Lord, pause and reflect on His Word, and find refreshment in Him.

Mike Martin Camp Humphreys, Korea

I really enjoy the soldiers I meet and interact with at a couple of weekly Bible studies. I am also finding joy in leading a Sunday School class with high school youth as we probe 1 Peter and chew it slowly for maximum nourishment. These kids know that I love them, and I am praying that they will be honest and transparent with me. I am seeking more interactions with their parents, some of whom are chaplains or other lay leaders.

Praise

Dave and Andrea Hutchings Headquarters, CO

Praise God for providing a new VP for Field Ministries, Nate Johnson, who starts his role this month. Please pray for Nate and his family as he begins this new season of ministry.

Chris and Melissa Stephenson Camp Lejeune, NC

Praise God for our six months of Home Assignment (furlough)! We are rested and ready to work.

Anthony and Jessica Amor Peterson Space Force Base, CO

The Sanctuary Springs Hospitality House is getting ready to launch in February. Please pray that we can secure the remaining funding needed and spread the word to the military community at Peterson and Shriever Space Force Bases.

WEEK OF JANUARY 26

Melissa Rafferty Kadena Air Base, Japan

Our Cadence team at the Harbor and Wired Bean will take a week at the end of January to join with other Cadence staff around the world in pausing from ministry and spending time in prayer and finding rest in the Lord. Please pray this will be a sweet and restful time and that we will have ears to hear as we seek the Lord for the new year.

Chris and Melissa Stephenson Camp Lejeune, NC

We are officially launching our new ministry this month! As we anticipate our home filling up with Marines and sailors, pray for us as we seek to share the gospel and our lives.

Kevin and Sharon Scheible Fort Sam Houston, TX

Praise God for the 200 military trainees coming to Cadence Community Nights at the base chapel! God is moving in unexpected ways. When we launched the ministry in July, we never imagined a response like this. Please pray for each of these trainees to come to know, trust, and follow Jesus. Please pray for wisdom for us as we seek to lead such a large group and for local churches to come alongside us to serve these trainees.

Joe and Jill Vincent Spangdahlem Air Base, Germany

Pray for the single airmen and the families who will be moving back to the U.S. this month.
