“Glory to God in the highest, and on earth peace, good will toward men.” LUKE 2:14

Immeasurably More Than All We Ask or Imagine

“Now to him who is able to do **immeasurably more than all we ask or imagine**, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.” Ephesians 3:19–20 (NIV)

I’m not sure what you imagined our ministry would be like when we started a new venture at Fort Sam Houston in San Antonio. My guess is that it wasn’t over 200 military trainees gathering to hear God’s Word. That is way more than we imagined!

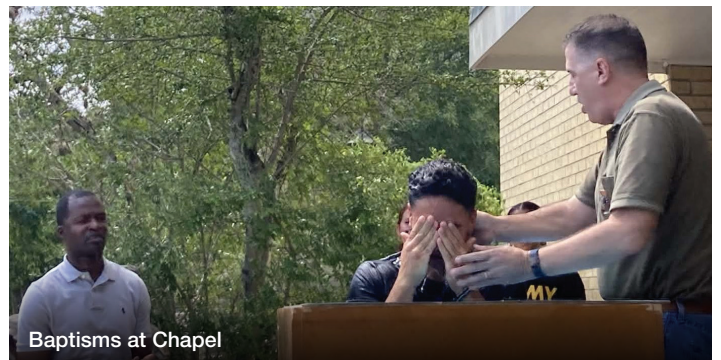

Since we began Cadence Community Nights in July, attendance has gone from averaging 50–70 in September to over 200 in November. Three times in seven weeks, we had 40 more trainees than had ever come before. It became

apparent that we could not effectively feed a full meal to that many every week. So, we changed our format to serving dessert each week, with the goal of providing one meal per month. So far, they are still coming even though we are only serving dessert. They are hungry for more than just food. We are inviting local churches to partner with us by providing meals and desserts, and the Protestant Women of the Chapel has already done that.

In addition to biblical teaching, we dedicate time for small group discussions, and we conclude by providing trainees with time alone with God in a room full of people. This solo prayer time has been meaningful for many. We want to be faithful with this ministry God has given us. You are part of reaching so many trainees. Thank you for your partnership in ministry!

Quotes from soldiers about Cadence Community Night:

“Looking forward to your cooking is what has gotten me through a rough week.”

“Bravo Company had a hard week, so I invited all of them to come with me tonight.”

“I like that we get time in small groups to talk about what we are learning from the Bible.”

SWITCHING COMMUNICATION PLATFORMS

We are changing from Mailchimp e-newsletters to Epistle. Epistle is a ministry update platform designed by missionaries for missionaries, providing communication through email, a mobile app, and a webpage. Several Cadence missionaries have found that using Epistle has increased communication both to and from their ministry partners.

This transition requires each of you to sign up personally. We will send an email invitation to each of you whose email we have. To switch now, please go to **Scheible.Epistle.org** to sign up. We look forward to increased interaction with each of you. We will also mail one to two hard copy newsletters each year.

INTRODUCING OUR SKILLBRIDGE INTERN

We want to introduce Cody Churan, our new SkillBridge Intern. Cody will soon retire after 20 years in the Navy, and the DOD SkillBridge program allows him to intern with Cadence as he transitions to the civilian world. We first met Cody and his wife Stephanie in 2017 at the Villa in Rota, Spain. His last duty station placed him in San Antonio, where we have continued our relationship with him and his family. We are so thankful for his presence with us as he brings a much-needed extra pair of hands to help and eyes to see the trainees. The experience he brings is invaluable.

CELEBRATING 50 YEARS OF CADENCE MINISTRY IN ROTA, SPAIN

It was such a joy to celebrate 50 years of Cadence's ministry at the Villa in Rota, Spain. We were able to see many old friends and hear amazing stories of God's faithfulness. We are thankful to be a part of all God is doing for the military community in Rota.

GIVING UPDATE

Thank you so much to those who have already responded to our previous request with special gifts. This year, several monthly givers have needed to reduce or end their giving, totaling around \$1,200 per month. Feeding this many people has increased our expenses by approximately \$500 per month. These factors have led our ministry account to dip below zero for the first time in six years. We are also continuing to raise additional funds to increase Sharon's Cadence salary.

As we approach the year's end, we ask you to prayerfully consider supporting this ministry. Invite one person to join our prayer team by joining us on Epistle. Prayer partners, we invite you to consider providing a special gift or making a monthly donation. Financial partners, we invite you to consider us for your year-end gifts or a monthly increase in the new year.

God has always been faithful to provide, so we trust Him to continue that provision. We simply want to invite you to be a part of His provision.

Please pray for:

- God to eternally impact all these trainees
- Wisdom as we navigate the ever-increasing numbers
- Increased funds and local church partners to provide food
- Cody as he explores how God wants to use him in this internship and beyond

Gratefully,
Kevin and Sharon
