“And the angel said to them, ‘Fear not, for behold, I bring you good news of GREAT JOY that will be for all the people.’” Luke 2:10

Letty and the ladies she invited to learn how to study the Bible

We want to share with you a few of our favorite things that God has done this past year!

Great Joy! Airmen have come to us who were born in other countries: Cameroon, France, Myanmar, and Hungary. Also, many others have come from all over the U.S. with different ethnic backgrounds. Witnessing these young people grow in their relationships with the Lord is incredible. There is nothing quite like discipling the world in your backyard!

Bible Study in the Dorm

Great Joy! We are also blessed to have been invited to be a ministry partner with the church we attend in Beavercreek. They are providing much-needed spiritual and financial support.

Great Joy! More young ladies have been coming to our meetings and the special events Letty hosts for them. From painting and craft parties to seminars on how to study the Bible, Letty loves walking alongside these girls as they grow in Him!

Great Joy! The Bible study in the dorm on base continues to grow as we walk through the book of John. We have so many great discussions and talk through life lessons as we read the Word together.

Discussing The Chosen and Lessons Learned From Jesus

Great Joy! Dave and Ev are thriving in Montana and hope to soon move from Bozeman to Great Falls. We love all the phone conversations with them and hearing all that God is doing in their lives!

Great Joy! Ruben had a great harvest season, keeping the equipment up and running for the farmers in the area. His wife, Bekah, has been a great support for him, and she loves bringing Leah along to visit her daddy on the worksite. We have loved the connections with them and the frequent phone calls and video calls with our granddaughter!

Great Joy! We had a large turnout at the workday at our house. From 9 am to 9 pm, they raked leaves, stacked firewood, chopped up kindling, put a roof on our woodshed, and mounted a pull-up bar in the basement. We also had time to work on some of their cars and ended the night with hot dogs and s'mores roasted over the fire.

Great Joy! We love the opportunity to show love to servicemembers' kids, giving their parents a much-needed break! Whether their parents are returning from a six-month deployment and need some quality time together or are having bonding time with a newborn while the sibling stays with us, our home is open.

Great Joy! We still marvel at how God provided such a perfect ministry home, one that is so welcoming to all who enter. Right now, we are enjoying the warmth of the fireplace, which radiates wonderful heat throughout our house.

Great Joy! Dwight has been so blessed to finally get the Car Club off to a great start. The guys have loved learning from him, and it provides wonderful fellowship for everyone!

Great Joy! We have the best small group who have built into our lives and encouraged us, and many are directly helping us in our ministry! We feel so supported by them and love the spiritual guidance they provide for us.

Great Joy! We have had the honor of hosting so many people in our home this past year, including service members' parents and kids, seminary interns, friends from our ministry in the Netherlands, fellow Cadence staff, ministry partners, friends, and family. It's such a blessing to break bread together with our brothers and sisters in Christ!

Great Joy! We are so grateful for the support team God has provided for

us in people like you! People who connect with us, pray for us, and support us financially help keep us doing what we are doing.

Please pray with us for additional support team members, as the cost of running the ministry exceeds the donations we receive. We are grateful for the new supporters who have teamed with us this year, but we are still \$1,500 short each month in meeting our expenses. God has been faithful to us throughout the years, and we believe that He will continue to supply our needs according to the riches of His glory in Christ Jesus.

Praying your time of reflection on Christ this season will bring you great joy!
