**AS WE LOOK BACK ON 2025**, our hearts are full of gratitude for the goodness of God. That goodness has carried us through a season of incredible change, opportunities, and challenges we couldn't anticipate, and has brought deep growth in both our ministry and our family life.

Throughout this year, we've seen God's faithful hand again and again through new ministry opportunities, strengthened relationships on military bases, challenges that stretched us, and surprising moments of grace and joy in the places we love most.

We celebrate not only that God moves, but that He moves *with* us in every climb up a mountain, every conversation over coffee, every ministry moment, every quiet prayer, every place of brokenness, and every laugh shared around the campfire.

And we trust the same is true for you. That God is with you, working for your good and His glory. As you read about how He has been at work in our lives this year, we hope you'll be encouraged to recognize how He has been present in yours, too.

Merry Christmas from our family to yours!

Blessings,
