Plans for the Plancartes

THE PLANCARTE FAMILY

Pausing to look back at this year has been an exercise in growth and gratitude. This year started burning bright (quite literally) as we had to be evacuated during a wildfire that broke out in our area. Thankfully, we had help evacuating and a place to stay with family while we waited to see if we had a home to which we could return. By God's mercy, we did. There were also a few hospital stays for Victor, one due to a severe RSV/pneumonia infection. A short while after that, he was back in the ICU, admitted for lung issues that weren't resolving. By God's grace, He used the magnificent team at UCLA to help develop a plan that has been working well. Since then, Victor has been on a positive trend towards health. Both of us have been enjoying leading our Life Group on Sundays after church. Randyl leads her small ladies' group that meets on Monday evenings, while Victor is involved in a men's group at church.

RICARDO OR RICARDON'T . . .

Our little boy is growing up so fast! He runs around and says plenty of words, his favorite being "no." Amid his infectious laughter and gregarious personality, he also pushes some boundaries. We are so grateful to God for our boisterous little boy, both stubborn and sweet. He is growing us as parents in the process. Ricky loves his daycare, Mickey Mouse, dogs, and cheese! He is a precious gift from God.

Our annual Friendsgiving! A delicious spread via potluck and fun games. We had about half our usual turnout, but it was a sweet time nonetheless.

CADENCE PERSONAL IMPACT

Not only has Victor experienced the impact of Cadence in his own life, but another service member from our church has recently as well! We had the chance to talk with Luke Walker and his mother, Julie Walker, about Luke’s involvement at the Cadence house near the base where he is stationed. Luke began his journey by attending Bouquet Canyon Church, and then he moved to Chicago, NAS Pensacola, Japan, and has landed in Kitsap, Washington for now. Once he arrived there, he recalled us recommending Cadence to him. He did his research and has been attending fellowship nights at the nearby Cadence house, 47 North. He commented to us, “Cadence is fun! It is community and connection.” Julie shared, “As his parents, knowing that there is a place where he can gather with other Christians is an answer to prayer for us. We knew he had been struggling, so it was such a relief and blessing to know there is something out there for him.” We are so grateful they shared with us about Luke’s experience and cannot wait to hear more about his Cadence community!

VISION FOR 2026

As we approach the midpoint of our partnership needs, we are growing in excitement! This means we have been conversing with Cadence leadership, utilizing their experience and wisdom, along with discernment from God, to understand where He is calling us to serve. We believe painting this picture will excite not only us, but also our current partnerships and encourage new ones as well. With our Cadence Worldwide Conference scheduled for June 2026, there is a possibility we will be able to participate in another training and be released to the field in August! That is our hope and heart’s desire, in accordance with God’s will. He has been so gracious during our Ministry Partnership Development journey. We are hoping and praying that we will be 100% funded by Summer 2026! Thank you to all who have prayed and embarked on this journey with us thus far; we couldn’t have made it without you!

PRAY WITH US!

Thank you again so much for your prayers and support! We would appreciate your prayers for:

- Continued growth and focus as we prepare to be released to the field
- For our family to stay healthy this upcoming year
- For Luke to continue to build great God-centered friendships and community
- For the Lord to go before us and prepare the hearts of potential partners, as well as the military personnel and their families we are so eager to serve

In His service,
The Plancarte Family
