PRAYING FOR MINISTRY TO THE MILITARY

MARCH 2026

WEEK OF MARCH 1

**Kenji and Amy Fukunaga
Headquarters, CO**

All our staff will come together for our worldwide conference this summer, including our Cadence kids. As those who oversee the care of these precious kids, join us in praying for the right people to staff our kids' program. Pray for finances to cover the program's costs. Most of all, pray that our Cadence kids would experience more of God's love for them through their time at the conference.

**Joe and Jill Vincent
Spangdahlem Air Base,
Germany**

Some of the most faithful leaders and volunteers in our ministry are moving back to the States this month. Pray that the Lord will raise up new leaders to assist us. Also, pray for the women's retreat, March 6–8, put on by the Protestant Women of the Chapel.

WEEK OF MARCH 8

**Lou and Cathy Rozmiarek
Headquarters, CO**

Please continue to keep our Alpha missionaries in your prayers as they trust the Lord to build their financial and prayer team: Aaron and Erin Brackett (Travis Air Force Base, CA), Don and Christi Copes (Fort Bragg, NC), Lexy Krogman (Spangdahlem Air Base, Germany), Brayden and Joelle Legere (Baumholder Army Base, Germany), Ethan McCraney (Hill Air Force Base, UT), Victor and Randy Plancarte (TBD), and Nicole Yamaguchi (Mobilizer). We would love to see them fully funded and able to start ministry after the 2026 conference.

**Paul and Sandra Bradley
Europe Field Leaders, ID**

Our Europe staff continue to exhibit faithfulness and welcoming hearts toward all who enter their doors. They work hard and are persevering in the ministry to which God has called them. Pray that they will daily find refreshment and rest in the Lord, and that their ministry will flow out of the knowledge that they are loved by God and don't need to do anything to earn His delight.

WEEK OF MARCH 15

**Nate and Louise Johnson
Headquarters, CO**

Please pray we will have enough Limited Term Staff (LTS) to fill our ministries during the worldwide staff conference. Pray for additional LTS to cover missionaries who are taking longer home assignments in conjunction with the conference.

**Katie Lambert
Headquarters, CO**

Be praying for our summer Interns as they begin raising up a team to pray for and financially support them. It is always a joy to see how the Lord provides during their season of Ministry Partnership Development.

WEEK OF MARCH 22

Jeff and Candace Walton
Camp Humphreys,
South Korea

We will be visiting the U.S. for ten weeks this summer to seek new financial partners and visit our family, friends, and supporters. This will be our first trip back home since 2022. Please pray for the provision of a vehicle we can borrow for our planned 5,000-mile road trip.

WEEK OF MARCH 29

Ed and Joy Bissonnette
Naval Air Station
North Island, CA

Please pray for fruitful ministry in our Thursday night and Saturday morning gatherings at The Bridge Hospitality House. Pray that our book studies will be used by God to draw our sailors and Marines closer to God. Also, pray for those who are deployed: a single mom with a one-year-old daughter, whose six-month deployment has just been extended for another two months, and the active-duty wife of one of our sailors who is deployed to Iceland.

Praise

God is packing the house in record numbers; we have had newcomers each week so far this year. We have experienced much receptivity to the gospel as we have studied the Book of Mark on Thursday nights. Praise God for a sailor who was baptized last month!

Rejoice with us! We are so thankful we were able to help host two "Meet the New Cadence President" gatherings in Wisconsin and Illinois. It was such a joy to bring together people who, for the most part, had not heard of the ministry of Cadence and to watch new friendships and excitement begin to grow. President Dave Hutchings shared his heart and vision for Cadence and said he believes "Cadence is one of the best-kept secrets, but let's not keep it a secret anymore. Will you help us get the word out?" His words captured the heart of the evening and inspired us to share this amazing ministry with even more people. We are excited to be planning four more of these gatherings across Texas in April 2026. We are grateful for God's continued provision and for each of you who partner with us in prayer and support as we share Cadence's mission with more communities.

Thankful for the Selah retreat and time away to renew and refresh.
