PRAYING FOR MINISTRY TO THE MILITARY

MAY 2026

WEEK OF MAY 3

Brian Kleager
Headquarters, CO

I will travel to Ukraine from May 4–18 to work with chaplains and soldiers. The primary ministry will be training these military personnel on PTSD and trauma-informed care. In addition, there will be countless opportunities to share the gospel and encourage Christians to persevere in their faith. Thank you for your prayers!

Danny and Kathryn Perez
USAG Baumholder, Germany

Please pray for two “not yet believers” here in Baumholder. These two male soldiers, A and T, have been attending The Festaburg Hospitality House and are curious about Jesus. Pray that the young believers who participate in our ministry will be grounded and rooted in God’s love and represent Him well to those who don’t yet know Jesus.

May 7 is the National Day of Prayer. Pray for unity as many in this community gather to seek God’s face in unison.

Duncan and Suzanne Forbes
Yokosuka Naval Base, Japan

Pray for our community, as many people in our ministry will be deploying this summer. Pray for encouragement and accountability among fellow sailors while out to sea.

WEEK OF MAY 10

Chris and Melissa Stephenson
Camp Lejeune/New River, NC

We praise the Lord for expanding ministry growth as we move into our fourth month of ministry here at Camp Lejeune! As we begin to approach maximum capacity, pray for our ability to stretch in space, food, and endurance, and to know when to ask for volunteers to jump in.

David and Joyce Schroeder
Home Assignment, CO

We thank God for Joyce's successful completion of her Doctor of Ministry in Leadership degree from Denver Seminary in April. We would appreciate your prayers for us in this season of MPD (Ministry of Partnership Development), as we reach out and look to the Lord for continued and additional prayer and financial support.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Please pray for more volunteers to help with yard work and facility upkeep. The property is very extensive, with two large buildings that need continuous care. Also, we are planning a Memorial Day weekend group trip to Normandy, France. Pray for many opportunities for meaningful conversations about spiritual things.

WEEK OF MAY 17

Katie Lambert
Headquarters, CO

Our summer Interns are heading out for a six-week internship on May 15. Be praying for their final support to come in and for soft, teachable hearts as they begin ministry to the military.

Jeff and Candace Walton
Camp Humphreys, South Korea

We are taking a 10-week trip to the U.S. this summer to visit family, friends, and ministry partners, and to attend the Cadence Worldwide Conference. This is our first trip back to the States in almost four years, and we are excited. Pray for safety as we take an almost 5,000-mile road trip, for success in raising additional support needed, and lots of good connections and fellowship with people.

WEEK OF MAY 24

Danny and Kathryn Perez
USAG Baumholder, Germany

We are wrapping up our four months of short-term fill here in Baumholder, Germany, as we wait for new full-time staff to arrive upon completion of MPD. We will hand off the ministry to our limited-term teammates, Jon and Rita Slankard, who will cover the ministry for the summer. Pray for a beautiful transition and that we will finish well in every relationship God has gifted us with here.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Please pray for the deployed military personnel in our community, as well as their spouses and children. There are many needs among those in our ministry, providing us with valuable opportunities to listen, share about Jesus, and pray together. We are busier than ever hosting more gatherings for singles, couples, and families.

Paul and Sandra Bradley
Headquarters, ID

Pray for the Cadence Worldwide Conference planning team and President Dave Hutchings as we prepare to gather as a whole mission from June 20–26. Pray for continued wisdom and guidance for the team, and for God to prepare the hearts of all our staff around the world to receive encouragement from the Spirit as we gather around our common mission and unified hope in Christ.

Praise

Danny and Kathryn Perez
USAG Baumholder, Germany

Jesus has built up The Festaburg family! We praise Him for bringing a good group of young believers and unbelievers who are curious about Christ.

Joe and Jill Vincent
Spangdahlem Air Base, Germany

Praise God for more individuals in our ministry who have committed their lives to Christ. We are also so grateful for time in Seattle, Washington, with our adult children and granddaughter, Lyla. During our visit, we were refreshed, rested, and inspired by what God is doing in their lives.

Duncan and Suzanne Forbes
Yokosuka Air Base, Japan

Praise God for those who have volunteered to keep the ministry running while we travel to our daughter's college graduation, visit churches, and attend the Cadence Worldwide Conference in June.
