America, Here We Come!

Hello All!

Jeff and I recently finished up a short trip to Suwon, a nearby city, to plan our upcoming USA trip. We are very excited to see many of you after four years in South Korea! As you can see from the photos on the back, the boys have grown a ton. This newsletter is to give you information about our visit. We will be driving over 5,500 miles and across at least 20 different states. God has provided an RV for us to borrow, which we will use to see friends, family, churches, and supporters. Jeff has even made a Gantt chart for us to follow (an engineer/nerd thing), to keep us on track. Below is a map of our expected route and a list of get-together events we have planned. Please drop by so we can hug as many of you as possible!

May 30 from 1:30 pm–4:30 pm, drop-in event at Auer residence, Holly Springs, NC. Please message us directly for the address.

June 5 at 6:30 pm, drop-in event at Shiloh's Place, Bedford, VA. Bedrock Church, 402 East Main Street, Bedford, VA 24523

July 11, Time TBD, Dinner at Selah Ranch, Bellville, TX. Please message us directly for the address.

July 25 from 1:30 pm–4:30 pm, drop-in event at Wallace residence, Wake Forest, NC. Please message us directly for the address.

Below are the planned dates and locations of our travel. As much as we would like to see absolutely everyone, we only have 10 weeks and there are limitations to our kids' patience. If you are close to any of these locations, please come see us at the events listed above or drive to meet us in any of the following cities.

Our only other plans are to visit as many Trader Joe's as possible and to eat our weight in Mexican food. We are so excited to see everyone! Please pray for peace, health, safety, travel mercies, and for funds to be raised for us as we make this epic trip.

Finally, we are switching from MailChimp to a new communication software called Epistle. It will allow us to upload photos, information, and updates more regularly, in addition to our newsletters. We will be using this while we travel to help keep everyone in the loop and updated with all our travel shenanigans. With anticipation,
