

PRAYING FOR MINISTRY TO THE MILITARY

OCTOBER 2026

WEEK OF OCTOBER 4

Katie Lambert

Headquarters, CO

Please pray for our Cadence Mobilization Team as we visit multiple schools and universities this fall. We are excited to see who the Lord will bring to each of these events and where those conversations may lead.

- Baylor University Mission Conference on October 5–7
- Moody Bible Institute Ministry Fair on October 7–8
- Grace College and Seminary Missions Conference on October 26–30

Kevin & Sharon Scheible

Fort Sam Houston, TX

Please pray for Brad (name changed). Since the start of basic training, his wife committed adultery and left him, his dogs were euthanized, and a close friend was diagnosed with cancer and subsequently died. Brad has failed his medic studies many times and he is not sure if the Army will allow him to continue. If he is asked to leave, he doesn't know what he will do. Please pray that Brad will understand how valuable he is to God and will choose connection with others and God over isolation during this very challenging time.

Danny and Kathryn Perez

U.S. Eastern Field Leaders, NC

We had a wonderful visit to the Fort Drum community in August, spending time with Directors Matt and Meredith Snell and their large hospitality house family. Would you pray for that community as they intentionally focus on loving those who are not yet believers? Pray for the salvation of many soldiers and family members at Fort Drum.

WEEK OF OCTOBER 11

David and Joyce Schroeder

Naval Air Station North Island, CA

Thank you for praying for us as we begin our fourteen-month ministry as House Directors at The Bridge Hospitality House in San Diego, California. Pray for fruitful relationships with the sailors, Marines, Navy SEALs, and Coast Guard personnel in this very large and strategic military community. Pray also for God's provision of the remaining funds needed to cover our ministry expenses during this time.

Danny and Kathryn Perez

U.S. Eastern Field Leaders, SC

Please pray for the ministry of chaplains across the globe, and for our encouragement of them to be bold for Jesus. Would you pray for strong, enduring relationships to be built among chaplains, their families, and our staff? Pray that the Lord of the harvest will raise up more Cadence staff to meet these needs of the military community around the world.

Brad Ellgen

Headquarters, CO

Please join with us in praying that this year's Joshua Project will raise \$60,000 in the next five months to allow for significant improvements and repairs at Travis Hospitality House in Northern California. As we continue to communicate with supporters of Cadence, we desire that they rejoice with us in more than 50 years of ministry at Travis. Pray also that hearts will be touched and people will be generous, responding to the Holy Spirit's prompting to give as He directs.

WEEK OF OCTOBER 18

Angie and Duncan Sprague Cadence Alumni at Fort Hood, TX

We are one month into our five-month service at Soldiers Hospitality House in Killeen, Texas. We love being here and are grateful for the privilege to be part of this ministry. Please pray for strength, wisdom, and discernment as we navigate the many opportunities to serve. Most of all, pray that the house will truly be a "home away from home" for these military personnel and families.

Also, if you live within a few hours of Killeen, mark your calendar for October 24, 2026! We will host a workday around the property. We are excited for Alumni and Friends to come serve alongside us, see the hospitality house firsthand, and learn more about how Cadence uses hospitality to minister to and serve military families.

Paul and Sandra Bradley Europe Field Leaders, ID

Pray for Paul as he has back surgery on October 21. He has been living with persistent pain for many years now. Pray for a successful surgery and good recovery so he can fully focus on the coming season of ministry.

Dave and Andrea Hutchings Headquarters, CO

Pray for the Cadence Board of Directors meetings on October 16–18. We are so grateful for this faithful, sacrificial team of people who labor on behalf of our mission. Pray for the Lord to guide and direct us as we meet in person. Pray that God will give our board wise, sensitive, and discerning hearts, attentive to the Holy Spirit.

WEEK OF OCTOBER 25

Elaine Auldridge Headquarters, CO

Please pray for our Cadence Associate Field Staff. CAFS Abby and Jeff are newly married, newly Army, and newly in ministry at Ft. Carson! Several more CAFS are in various phases of transition, either moving to new duty stations or leaving the military to figure out ministry in a new stage of life. Pray that the Lord will give them all they need for life and godliness.

Danny and Kathryn Perez U.S. Eastern Field Leaders, SC

Please pray for Halloween week. Pray for protection from the Lord for all our staff and ministries around the world as they intentionally share the gospel and their lives through outreach events during this season.

Lou and Cathy Rozmiarek Headquarters, CO

We have twelve new missionary units (couples and singles) who are currently raising support. Please pray that the Lord will open doors with friends, family, churches, and others as they build their prayer and financial support teams. We have many needs within the mission and would love to see these missionaries reach the field soon. We know the Lord is at work, and we trust His timing and provision.

Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

MATTHEW 9:35-38 NIV

Kevin & Sharon Scheible Fort Sam Houston, TX

Many of you prayed for Jay (name changed), whose wife was dealing with post-partum depression. He wanted to quit his training program so he could be with his wife. But praise God, Jay graduated from combat medic training last week, and his wife is beginning to feel better! Thank you for your prayers, and we praise God for His mercy! Jay is now heading to his first duty station. Please pray his wife and child will be able to join him there soon.

Dave and Andrea Hutchings Headquarters, CO

Thank you for praying for the Cadence Leadership Summit in September. Our time together was rich and fruitful. We spent much time in the Word and prayer, paying attention to the Lord's leading. We also labored together and explored how we might carry out the work God is calling us to in the coming years.
