PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2026

WEEK OF NOVEMBER 1

Lou and Cathy Rozmiarek
Headquarters, CO

Please join me in praying for our new missionaries as they continue their Ministry of Partnership Development. We are excited to have Joy Chase and Anna Tamblyn (both Cadence Adult Ministry) and Kara Johnson (Cadence Student Ministry) on staff. We trust the Lord to build their partnership teams as they boldly cast a vision for their ministry with Cadence.

Nate and Louise Johnson
Headquarters, CO

Please pray for the Lord to raise up more Field Leaders and for the other staffing needs we have across the mission. Pray specifically for staff willing to take over the ministry at Fort Hood.

Greg and Heidi Carlson
NB Kitsap-Bremerton, WA

After a long and painful wait, Greg was approved for knee surgery in late October. Please pray for his rehabilitation throughout November.

RJ & Sabrina Prestwich
Joint Base Lewis-McChord, WA

We have finished our Home Assignment and are now rejoining the community here at JBLM. Home Assignment was great for our family, and we had a wonderful team who kept ministry active while we were gone (huge praise!). Please pray that we will reenter ministry well and begin rebuilding a core of service members for our Bible Study and Leadership Team. Our first Friday back with everyone will be November 6, just in time for all the holiday season fun with our service members. We are so excited to serve them through Thanksgiving and Christmas.

WEEK OF NOVEMBER 8

Angie and Duncan Sprague
Cadence Alumni at Fort Hood, TX

We have been directing the ministry at Soldiers Hospitality House for the past two months, and we absolutely love serving the military community. In addition to directing the house, we are reaching out to Cadence Alumni and are in awe of how God is integrating the military community and alumni in amazing ways. We have hosted workdays here on the property, and both groups of people have volunteered to work on indoor and outdoor projects, making this place even more welcoming. We also took sixteen soldiers to a rodeo, and now some of them plan to begin attending ministry night.

Laurel Givry
Fort Jackson, SC

Please pray for additional ministry partners to join my support team. Pray that God will lead me to the people with whom I should share about Cadence and this ministry to Fort Jackson families. Pray for open hearts and for me to rest in the Father's provision.

Jeff and Candace Walton
Camp Humphreys, South Korea

Pray for those who have been part of our ministry and are now leaving after their nine-month rotation. Pray they will find godly community at their home duty station, reflecting well on their time in Korea and honoring what God has done in their lives during this season.

Danny and Kathryn Perez
U.S. Eastern Field Leaders, NC

Pray for our Thanksgiving weekend celebrations across the globe. This is a strategic four-day weekend in our ministries, as folks often stay in their communities, rather than travel home. Will you pray that our ministries will welcome outsiders well and focus on the Lord and His provision? Please pray that we will all love like Jesus, lavishly and sacrificially.

Let all that I am praise the LORD;
may I never forget the good things he does for me.

PSALM 103:2 NLT

Praise

Peter and Tanya Kinney
Ellsworth Air Force Base, SD
November 5 is the fifth anniversary of this little hospitality house on the prairie. "Let all that I am praise the LORD; may I never forget the good things he does for me" (Psalms 103:2). Please pray that we will honor the Lord and continue in His strength, especially through Thanksgiving and the upcoming holidays.

Nate and Louise Johnson
Headquarters, CO
Praise God for a great New Missionary Training last month! It was wonderful to have three new missionaries join us for this event. Also, we praise God for our amazing Field Leaders! Our time at the Field Leader Summit in October was wonderful, especially our discussions about ways we can best serve our field missionaries. We are excited for our new Europe Field Leaders, Ed and Joy Bissonnette, who began leading the field on November 1.

Angie and Duncan Sprague
Cadence Alumni at Fort Hood, TX
Praise the Lord for the safe arrival of our first grandchild, Jonathan Duncan Sprague!

Greg and Heidi Carlson
NB Kitsap-Bremerton, WA
All the new babies born in September to our military families here are in good health, and the families are enjoying these precious first weeks together.

Duncan and Suzanne Forbes
Yokosuka Naval Base, Japan
Praise God for the team that came in last month from Groton Bible Chapel in Connecticut to bless us by tackling some work projects around the facility. We are truly grateful, as are the sailors we serve.

WEEK OF NOVEMBER 15

Ben and Melody Bloker
Naval Station Rota, Spain
Please pray for the 23 young adults we will be taking on a retreat on November 20–22. Our group will spend time writing out the book of Ephesians. Both believers and non-believers will participate in this rich time of conversation and questions about the Scripture as we write it out together around a table.

Katie Lambert
Headquarters, CO
Over the last few months, the Mobilization Team and some of our field staff have been traveling to university campuses to share about Cadence. It is a joy to meet students, professors, and other organizations who have been seen and loved by our Cadence staff over the years. Please be praying for our team as we follow up with those who have shown an interest in joining Cadence. Our list keeps growing, which is a joy to see, but it takes time to set up calls, connect, and help people process whether Cadence is a good fit for them.

John and Marcie Good
Joint Base Pearl Harbor-Hickam, HI
Please ask God to grow the attendance and community culture here at the Pearl and Hickam contemporary worship services.

WEEK OF NOVEMBER 22

Duncan and Suzanne Forbes
Yokosuka Naval Base, Japan
Pray for safety and endurance as the sailors and ships of the Seventh Fleet have deployed to the war zone. Please also pray for the spouses and dependents of those sailors who are left behind and are struggling with loneliness, fear, and anxiety. Many of them are overwhelmed as they care for their homes and families on their own.

Danny and Kathryn Perez
U.S. Eastern Field Leaders, NC
Would you ask for God's great provision as we raise funds for a permanent facility to serve the Camp Humphreys community in South Korea? We need His wisdom and leading for the many details. We will move there next summer to direct that ministry. Pray for the current Directors, Candace and Jeff Walton, as they continue to serve that community until then.

Nate and Louise Johnson
Headquarters, CO
Please pray for our family as we head to Fort Hood to assist Duncan and Angie Sprague in serving Thanksgiving dinner to the soldiers and families stationed there. We are so excited to help, and we look forward to having great conversations with those we serve.

Greg and Heidi Carlson
Naval Base Kitsap-Bremerton, WA
Pray for God's financial provision after a season of Ministry of Partnership Development for our local 47 NORTH ministry. We are very much looking forward to celebrating Thanksgiving with military families this week.
